

PRECAUTIONARY STATEMENTS

CAUTION: Hazards to Humans and Domestic Animals

Harmful if swallowed or absorbed through skin. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. Remove pets, birds and cover fish aquariums before spraying. Do not apply directly to food in commercial food handling facility. Cover or remove any food utensils and food processing equipment during application. Do not apply while food processing is underway. After space spraying in packing plant, bakery and other food processing plants, wash all equipment, benches, shelving, etc. where exposed food will be handled with potable water.

Statement of Practical Treatment

If Swallowed: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Never induce vomiting or give anything by mouth to an unconscious person. **If on Skin:** Wash contaminated clothing and wash affected areas with plenty of soap and water. **If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated. **NOTE TO PHYSICIAN:** This product may cause cholinesterase inhibition. Atropine is antidotal. 2-PAM may be effective as an adjunct to atropine.

Environmental Hazards

This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

Physical and Chemical Hazards

Do not use or store near heat or open flame.

Storage and Disposal

Storage: Store in a cool place away from heat, direct sunlight, or open flame. Keep in original container and preferably in a locked storage area. **Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Real-Kill

LIQUID HOUSEHOLD ANT & ROACH KILLER

KILLS: WASPS, HORNETS, SPIDERS, ANTS, ROACHES

Ready to Use - Just Aim and Spray
Kills Bugs In And Around The House,
Month After Month
Keeps On Killing Roaches For Up To 8-Weeks
Kills Insects Listed Below Which Are Resistant To
Certain Other Insecticides.

Active Ingredients:

Chlorpyrifos [O,O-Diethyl O-(3,5,6-trichloro-2-pyridinyl) phosphorothioate]	0.50%
Inert Ingredients: *	99.50%
TOTAL	100.00%

* Contains xylene range aromatic solvent.

Keep Out of Reach of Children

CAUTION

See Back Panel for Additional
Precautionary Statements

Net contents: 40 fl. oz. (1 qt. 8 oz.)

SHAKE WELL BEFORE USING. Turn adjustable nozzle by rotating to deliver a fine mist spray or jet stream.

Cockroaches, Crickets, Silverfish, Clover Mites, Centipedes, Millipedes, Firebrats, Earwigs, Sowbugs, Spiders: Use as a spot treatment. When possible spray directly on pests. Apply as a coarse spray around door and window frames, along baseboards and into cracks and crevices. Treat hiding places such as closets, in back of and under appliances, sinks, and cupboards in kitchens and bathrooms. Spray moist areas, opening around pipes, under refrigerator and other storage areas. In basements apply to hiding places such as cracks, crevices, lower walls and dark areas. Apply spray until area is wet but not to point of runoff. Repeat as necessary. **Ants:** Spray trails, nests and points of entry. Spray directly on ants where possible. Repeat as necessary. **Brown Dog Ticks, Fleas:** Thoroughly apply as a spot treatment to infested areas of pet bedding and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding of pets should be removed and replaced with clean fresh bedding after treatment of pet area. Do not treat pets with this product. Treat pets with a registered flea control product before allowing them to enter treated area. **Carpet Beetles:** Thoroughly apply as a spot treatment along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelving, and wherever else these insects are seen or suspected. **Pests Out-Of-Doors - Flies, Mosquitoes, Wasps, and Hornets:** For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures, on porches, in garages, and other places where these insects alight or congregate. Repeat as necessary. **Fleas, Brown Dog Ticks, Crickets, Earwigs, Ants:** For treatment of localized infestations of these insects in outdoor areas where there are weeds or brushy non-crop areas, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat as necessary.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
