PRECAUTIONARY STATEMENT

Hazards to Humans:

WARNING:

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg white, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.

ENVIRONMENTAL HAZARDS:

Do not apply under conditions involving possible spray contact or drift onto food, forage, vegetables, ornamental plants or other desirable plantings that might be damaged or the crops rendered unfit for sale, use or consumption. This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Do not apply directly to lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning equipment, or disposal of wastes.

STORAGE: Do not store near fertilizers, seeds, insecticides or fungicides.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

Real-Kill®

INERT INGREDIENTS: 99.77%

Contains 0.01 lbs. Diquat Cation per gallon as 0.02lbs. Salt per gallon

Keep Out of Reach of Children
WARNING

See Back Panel for Additional Precautionary Statements

NET CONTENTS 1 GAL.

Kills unwanted grass and weeds and top kills perennials, and prevents their reappearance for extended periods. Spray weeds and grasses in cracks of walks, drives and patios. Spray edges along walls, drives, patios, around buildings, under fences and other places where plants are not wanted (except lawns). Kills weeds in treewells, around shrubs, flower beds. Keeps grass from creeping into unwanted areas.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

HOW TO APPLY:

Remove cap from applicator head and be certain that applicator head is screwed firmly on jug. Invert jug and apply product to thoroughly cover unwanted vegetation. The width of the pattern may be adjusted by either raising or lowering the jug. For top killing vegetation around trees, shrubs and buildings and edging around lawns, fences and sidewalks, hold the jug about 2 to 6 inches from the area to be treated depending upon desired width.

Stand as close to weed or grass as possible. Use just enough product to completely cover foliage of weed. Not necessary to soak. The applicator will assist you in obtaining accurate spot weed control easily. Kills on contact only. Accidental spotting of desired plants may be washed off or pruned at time of treatment. Respray to perennial weeds and Bermuda grass patches when green reappears. For best results, apply to weeds in the early growing stage when moisture and high temperature are promoting vigorous growth.
