Mr. William H. Metzger
 Director of Regulatory and Consumer Services
 Realax
 P.O. Box 15842
 St. Louis, MO 63114

Dear Mr. Metzger:

Subject: Acute Inhalation Study - Condition of Registration
 Real-Kill Automatic Indoor Fogger III
 EPA Registration No. 478-126
 Your Submission Dated May 2, 1991

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) or 4(a) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Change the first sentence of the Precautionary Statements as follows:

Harmful if absorbed through skin or inhaled.

Change:

Wash thoroughly after handling

to read:

Wash thoroughly with soap and water after handling.
 Remove contaminated clothing and wash before reuse.

CONCURRENCES

| SYMBOL | SURNAME | DATE | | | | | | |
|--------|---------|------|--|--|--|--|--|--|
| | | | | | | | | |

- b. Add the caption "If Inhaled" to the Statement of Practical Treatment to read as follows:

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

- 3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide-Rodenticide Branch

UNITED INDUSTRIES CORPORATION
EPA Reg. No. 478-126

2 3 1991

Under the authority of the
EPA, this product is registered
under the Federal Insecticide,
Fungicide, and Rodenticide Act.

all flames and pilot lights. Close

2. Tilt top of can away from you and tilt the fogger out way down, hooking the can to the top of the fogger.
3. Then place fogger on top of room with the valve located on the back. Place layers of newspaper or paper on the floor in the treated area for 2 hours.
4. After 2 hours, open all doors, windows, air conditioners and fans and allow the room to air out for 30 minutes.
5. Destroy pet's old bedding and wash bedding and cats with a registered flea or tick product before re-entry.

Repeat spraying in two to four days for one unit for each 6,000 cubic feet. Do not use this unit in an area less than 100 square feet. Use additional units for areas where the flow of mist is not assured.

To Kill Fleas or Ticks: Remove old bedding. Apply this product to the bedding in pet's quarters after the pet has been removed. Wash bedding in pet's quarters after treatment. Do not allow them to enter treated area.

Storage and Disposal: Store in a cool, dry area away from heat and moisture. Discard container in trash. Do not reuse.

NOTICE: Seller warrants that the description and is reasonably fit for use, but neither this warranty nor the MERCHANTABILITY or FITNESS FOR ANY PARTICULAR PURPOSE, express or implied, shall constitute a contract, or be subject to, or under conditions not reasonably stated on the label, or assume the risk of any such use.
