ANT TRAPS

FORMULA II WITH BAYGON®

KILLS HOUSE ANTS

FOR HOUSEHOLD USE ONLY

Guaranteed to Kill Carpenter Ants, and other Sweet and Grease Eating Ants. If not satisfied, return package to manufacturer for refund.

DIRECTIONS FOR USE: PUNCH IN ALL SIDE HOLES
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

INDOOR AND OUTDOOR USE: Against carpenter ants and other sweet and grease eating ants. Place traps under sinks, behind refrigerators, in cupboards, entry points, and other areas where ants are seen. The reduction of ant population may not be noticed for several days. Ants may carry food back to the nest where more ants are poisoned and die.

OUTDOORS: Place traps on or around the nest. Product must be limited to one trap per nest. Outdoor use of this product must be limited to home use only.

REPLACE TRAPS AS NECESSARY
