CAUTION: KEEP OUT OF REACH OF CHILDREN
PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
 May be fatal if swallowed. May be absorbed through skin. Do not breathe spray mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Avoid contamination of food and feed. Keep out of reach of domestic animals. Do not use on human household pets or livestock. Do not permit children or pets to go into the sprayed area until spray has completely dried.

ENVIRONMENTAL HAZARDS
 This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

This pesticide is highly toxic to bees exposed to direct treatment or residues remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop, weeds, or blooming in the treatment area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bloom.

PHYSICAL OR CHEMICAL HAZARDS
 Do not use near open flame or heat.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local procedures.

CONTAINER DISPOSAL: Triple rinse, if available. Then reuse for cleaning, diluting, or purifying and dispose of material in accordance with applicable State and local procedures.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or physician's office immediately. Give plenty of water and induce vomiting by touching back of throat with finger. Do not induce vomiting if anything by mouth has already been taken.

IF ON SKIN: Wash contaminated clothing and linens immediately. Wash skin with plenty of soap and water.

IF IN EYES: Flush eyes with plenty of water.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine may be beneficial in some cases.
