continuously 24 hours a day. Neutralizes such offensive odors as perspiration, tobacco, and stale air.

Directions for Use:

Simply remove the cellophane wrapping and hang up on wall in convenient location. May also be hung behind draperies, curtains or venetian blinds without impairing the effectiveness. Do not place in direct draft near windows, fans, air conditioners, or radiators.

Ideal for use in rest rooms, locker rooms, store rooms and in any location where objectionable odors prevail. Hang in convenient location on wall 7 to 8 feet above floor.
