Ms. Michelle Nooney  
Selig Chemical Industries  
P.O. Box 43106  
Atlanta, GA 30378

Dear Ms. Nooney:

Subject: Resmethrin Registration Standard  
Selig's De-Kil SP  
EPA Registration No. 491-212  
Your Submission Dated August 9, 1989

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

1. Delete reference to this as a new synthetic pyrethroid . . . .
2. Delete "Only For Sale To, Use, and Storage By Service Persons."  
This is not enforceable and is no longer considered acceptable.

Sincerely yours,

*RFM*  
Phil Hutton  
Product Manager (17)  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

BEST AVAILABLE

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**  
**WARNING**

Harmful if swallowed. Avoid skin and eye contact. Avoid breathing spray mist. DO NOT apply directly to food. In commercial food handling facilities, cover or remove any food or food processing equipment during application. DO NOT apply while food processing is underway. After space spraying in food processing plants wash all equipment benches, shelving, etc. where exposed food will be handled, with potable water. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before reuse.

Remove pets, birds and cover fish aquariums before spraying

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. DO NOT apply directly to water. DO NOT apply when weather conditions favor drift from areas treated. DO NOT contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use, pour, spill or store near heat or open flame

**STORAGE AND DISPOSAL**

**Storage:** Keep out of reach of children. Keep container closed and store in a cool place. DO NOT pour or spill near open flame.

- Do not contaminate water, food, or feed by storage or disposal.
- Open dumping is prohibited.
- Do not reuse empty container.

**PESTICIDE DISPOSAL**

"Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance."

**CONTAINER DISPOSAL**

**Plastic Containers:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**Metal Containers:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture, and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

EPA Reg No. 491-212-01A  
EPA Est. No. 491-GA-1

**SELIG'S**  
**DU-KIL SP**

A new synthetic pyrethroid for controlling the following flying and crawling insects: Flies, mosquitoes, gnats, wasps, roaches, earwigs, spiders, grain mites, sowbugs and centipedes.

An effective fast acting insecticide formulated especially for use in food processing and bottling plants. Also ideal for insect control in institutions, public buildings, hospitals, hotels, clubs, restaurants and theatres.

Use as a space spray only when plant is not to be removed or covered. In food processing surfaces thoroughly cleaned before use. Patients should be removed from treatment. Room should be ventilated after spraying. Do not re-enter until after ventilation.

**DIRECTIONS**

It is a violation of Federal Law to use this product in a manner inconsistent with the label directions.

For most effective results, adjust nozzle to deliver a fine mist.

For household use, spray doors and windows. For commercial use, spray mist to all parts of windows and other lighted areas where these insects are present. Fill the room with the treated area. Keep doors closed for at least 15 minutes. Ventilate room after treatment is completed.

**Wasps:** Application in the evening when insects are entering into hiding and breeding. Kill many insects as possible.

**WARRANTY STATEMENT**

This product is designed for institutional use by trained personnel. Prior to using this product, read the label and Material Safety Data Sheet in place of work. Label directions must be followed exactly. Selig Chemical Industries, Inc. will not be responsible for injury, illness, or death in any manner not directed by the label directions or precautions.
