

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use at 2 ounces per gallon. This product will provide 500 ppm quaternary to the use solution. This is enough for general disinfection, fungicidal activity against pathogenic fungi and deodorizing.

For best results, use 6-SX-80 with a cloth or mop and apply to walls, floors, table tops, counters and garbage pails.

For heavy soil, a pre-cleaning step is recommended before using 6-SX-80.

Rinse empty container thoroughly with water and discard.

**STORAGE AND DISPOSAL**

**Prohibitions:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**Pesticide Disposal:** Pesticide, spray mixture or rinsate that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

**Container Disposal:**  
a. Reseal container and offer for reconditioning or  
b. Triple rinse (or equivalent) and: offer for recycling, reconditioning,

or disposal in approved landfill or bury in a safe place.

**General:** Consult Federal, State, or Local disposal authorities for approved alternative procedures.

**PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

**WARRANTY**

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its mis-use as such, or in combination with other materials. Statements concerning the use of these products are not to be construed as recommending the infringement of any patent, and no liability for infringement arising out of any such use is assumed.

6-SX-80 is a cleaner and disinfectant designed for general household and light industrial cleaning. For use on walls, floors and any inanimate hard surfaces. When used as directed, 6-SX-80 will also deodorize those areas which generally are hard to keep fresh smelling, such as garbage pails, sink tops, and bathroom areas which are prone to odors caused by the growth of some microorganisms. Effective against Staphylococcus aureus, Salmonella choleraesuis and E. coli at 2 ounces per gallon. Also effective against pathogenic fungi, Trichophyton interdigitale, at this use dilution.
