### DIRECTIONS FOR USE, (Cont'd.)

#### To Kill: Cockroaches, Ants, Silverfish, Spiders, Crickets.

Spray areas where these pests are found or may hide including dark corners of rooms and closets, cracks, crevices, along baseboards, and door sills and frames behind and beneath sinks, stoves, refrigerators, cabinets and around garbage cans, plumbing and other utility installations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points of entry. Repeat treatment if necessary.

#### To Kill: Carpet Beetles

Spray edges of carpeting and under carpeting and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, closets and other areas of infestation. Repeat if necessary.

#### To Kill: Brown Dog Ticks

Thoroughly spray sleeping quarters of animals. Spray infested areas of animal quarters, walls, window frames, wire meshing. Application should be repeated at weekly intervals for 2-3 weeks. Do not spray in animal quarters of **TREAT ANIMALS WITH PRECAUTION.**

#### To Kill: Flies, Small Flying Moths, Mosquitoes, Wasps

Thoroughly spray areas where these insects are found. Spray outside surfaces of windows, doors, walls, frames, etc. where these insects are found. Avoid spraying curtains and light fixtures. Do not spray on other parts of the animal's body.

#### To Kill: Fleas, Chiggers, Ants Outdoors

For treatment of localized infestations of these insects, spray grass, weeds, and brush thoroughly. Avoid spraying on animals. Avoid spraying wet hills and low ways. Repeat applications as infestations warrant and as needed.

Repeat applications as needed. Storage or handling of this product should be done in accordance with directions given on label.

### CAUTION

Harmful if swallowed. May be absorbed through the skin. Avoid breathing of spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Do not allow spray to contact food, feed stuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wild life. Keep out of lakes, streams or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide spray mixture or residue that can not be used or that has been processed should be disposed of in a label approved for pesticide disposal in a safe place away from water supplies. Reuse container and offer for reconditioning or triple rinse or equivalent and offer for recycling, reuse, or other disposal. Do not use if label or this label is a safe place for disposal. State or local disposal authorities for approved alternative procedures.

Spray infested surfaces with water. For spot treatment only. Do not use as a space spray. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commonly prepared or served. Do not use on serving areas while food is exposed. Remove and cover fish bowls before spraying. Do not allow children to contact treated surfaces until surfaces are dry.
