Dear Mr. Kass:

Subject: Amendment - Compliance with Notice of Intent
to Cancel Pesticide Products Containing Lindane
(February 8, 1985, 50 FR 5424)
Smo-Cloud
EPA Registration No. 495-6
Your submission dated March 14, 1985

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided the following revisions are made prior to release for shipment of stocks bearing the amended labeling:

1. The ingredients statement must appear on the front panel (both inner and outer labels). Revise ACTIVE INGREDIENTS to ACTIVE INGREDIENT since there is only one. The active ingredient declaration should appear as:

Lindane (Gamma isomer of benzene hexachloride)

2. The front panels of both labels must bear the following:

KEEP OUT OF REACH OF CHILDREN

CAUTION

You may then delete the present statement "Keep this and all other isecticides, drugs, medicines etc."

3. Revise your existing precautionary text beginning with, Caution: Avoid prolonged breathing of smoke xxx to read as follows:

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
CAUTION: Avoid breathing smoke. Avoid contact with skin and eyes.
Harmful if swallowed.

DIRECTIONS: Close exterior doors and windows. Remove pets and fowl. Disconnect smoke alarms; cover tightly or remove any food in room to be treated. If contents become compact - stir up powder with a disposable utensil. Turn off fans and air conditioning. Do not handle can immediately after use. For household use: do not overuse; do not use in a clothes closet. Do not use more than 2 times per year on the same premises. Do not enter rooms for 3 hours after lighting. Air out for 2 hours after re-entrance. After rotation, horizontal surfaces shall be washed. Impermeable gloves shall be worn during washing. This 2 oz. can will be effective for 6,000 cubic feet for crawling insects; 15,000 cubic feet for flying insects. Store in a cool dry place.

DIRECTIONS: Do not re-use empty can. Wrap container and put in trash. Not to be sold after 11/30/88.

CAUTION: Avoid prolonged breathing of smoke. Avoid contact with skin and eyes. Harmful if swallowed.

KEEP THIS OUT OF REACH OF CHILDREN.

PRACTICAL TREATMENT: If swallowed: call a physician. Drink 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. Do *not* induce vomiting or give anything by mouth to an unconscious person. If on skin: remove contaminated clothing and immediately wash skin with soap and water. If in eyes: flush eyes with plenty of water for 15 minutes; call a physician.

It is a violation of Federal law to use this product in manner inconsistent with its labeling. Buyer assumes all risks of use, storage and handling, when its use is inconsistent with label instructions.

4. Revise the first part of your Practical Statement to read as follows: "STATEMENT OF PRACTICAL TREATMENT: If swallowed call a physician or Poison Control Center immediately. Drink 1 to 4 glasses of water and induce vomiting; xxxxx." (xxxxx - add remaining text).

Note the above precautionary text must appear on both the outer and inner labels. If the inside label container is too small to fit all of the label text you may replace the "Directions" paragraph with the statement "See carton for directions" and carry the Directions for use on the outside carton label only.

5. Delete the claims "Made and used by exterminators" and "SMO-CLOUD is a professional formula made and used by professional exterminators" on both the the box and small inner label. These statements are unacceptable since they are false or misleading; statements concerning the effectiveness of the product.
6. Expand the heading DIRECTIONS to DIRECTIONS FOR USE and relocate underneath this heading "It is a violation of Federal law to use this product in a manner inconsistent with its labeling."

[NOTE- Quotation marks are not to be reproduced on your labeling.]

7. The limitation of the sale period should appear as "Not to be sold after November 30, 1986." and should appear on the front panel of both the inner and outer label.
8. Revise "cover tightly or remove any food in rooms to be treated" to read "Food should be removed or covered tightly during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in commercial food preparation areas, apply only when the facility is not in operation."
9. Under "Directions For Use" change "For Household Use" to "For Indoor Use".
10. Refer to the enclosed type size guide for assistance in selecting print sizes for label elements with minimum size requirements.
11. On the front panel add "fleas" to the statement, "Kills exposed roaches, ants, waterbugs, fleas - and xxxx."

Submit five copies each of the box and inner labels bearing the above revisions prior to release for shipment. Note that after April 15, 1985 the subject product may not be distributed, offered for sale, held for sale, sold, shipped or delivered for shipment by you unless the labeling complies with the above revisions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,
