Gamma Hexachloro  
Benzene, 10.50%  
from Indane  
**TOTAL ACTIVE  
INGREDIENTS, 15.85%**  
**INERT INGREDIENTS, 84.15%**  
Net Content, 25 grams

**KILLS** moths, moth-worms, larvae and carpet beetles in your closets.

Carton  
Carton

**DIRECTIONS:** Thoroughly clean and brush clothes to be protected. Turn down seams and folds of clothes and space loosely in closet (not too well packed) so as to get greater penetration of the moth-killing fog. Place tablet in plate on the floor of closet, and hold a lighted match to the tablet. A fine white cloud-like fog forms to fill the entire closet. Close closet door tightly and keep closed for 4 hours. When Moth-Cloud is used remove pets, fish and humans, and cover any food when treating. The treated space must be closed and no occupancy permitted during operation. A minimum of 4 hours after treatment shall be allowed for complete diffusion and settling of suspended particles and thorough airing of treated areas or spaces. One tablet treats 70 cubic feet of closet space. Repeat application every 30 days unless clothes are stored in moth-tight containers.  
**CLOSET SIZE—**2x5x7 feet 1 tablet — 4x5x7 feet 2 tablets  
**CAUTION:** Wash hands thoroughly after handling. Keep out of reach of children. Do not overdose. Avoid prolonged breathing of fog. If taken internally give a teaspoon of salt in a glass of warm water. Call a physician immediately.

CONTINENTAL CHEMISTE CORP. CHICAGO 17, ILL.
