PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Do not breathe fumes or spray mist. This material may irritate or sensitize the skin. Avoid contact with skin, eyes and clothing. In case of contact wash thoroughly with soap and water. Avoid contamination of food and feedstuffs. Use with adequate ventilation.

ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes.

Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture. Do not use near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Do not wet varnish or painted surfaces with this spray.

DIRECTIONS FOR USE

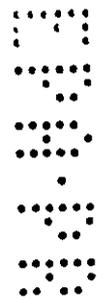

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

New Rose, Plant and Evergreen Insect Spray Fungicide Miticide Kills insects on Roses, Evergreens, African Violets, Begonias, Camellias, Chrysanthemums, Delphiniums, English Ivy, Fuschia, Kentia Palms, Rubber Plants and other Ornamentals.

New Rose, Plant and Evergreen Insect Spray is an Insecticide Spray containing Pyrethrins, Rotenone, Methoxychlor, and Dinitro to kill aphids, mites, exposed thrips, white fly and Japanese Beetles infesting ornamental plants only, such as: Roses, Evergreens, African Violets, Begonias, Camellias, Chrysanthemums, Delphiniums, English Ivy, Fuschia, Kentia Palms, Rubber Plants. Controls powdery mildew on Roses.

Avoid spraying seedlings, new growth and plants, such as Lantana, Maidenhair Fern, Cyclamen and Oxalis.

Hold 18" from plants when using. Remove protective cap on top of can, hold can upright, point valve opening in desired direction for spray. To release spray, press valve downward or push valve forward, and spray in sweeping motion, keeping dispenser moving at all times. Hold container 18" from plant and spray at the rate of one second per foot of plant height. Wet foliage lightly. Do not overspray.

Avoid spraying in direct sunlight or when plants are wet. For Mealybugs and White Flies wet insects thoroughly. Repeat spraying at 7 to 10 day intervals.

STORAGE: Store in a cool, dry area away from heat or open flame.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

Wear rubber gloves when using indoors. When using outdoors wear long pants, long sleeve shirt, and rubber gloves. Outdoors, spray with the wind to your back. Wash nondisposable gloves thoroughly with soap and water before removing.

WARRANTY

Since the use of this product is beyond the control of the seller, the buyer assumes all risk of use or handling whether in accordance with the directions or not, as the seller makes no warranty, expressed or implied, concerning this product.
