WARNING: FLAMMABLE. CONTENTS UNDER PRESSURE.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Remove cap. Hold container as upright as possible. Point spray opening away from you and press button. Hold dispenser about 6 inches to one foot from surface being sprayed. Spray until surfaces are wet.

FOR INDOOR USE

Cockroaches, silverfish, crickets, spiders, scorpions, waterbugs: Spray thoroughly into cracks, crevices, around baseboards, plumbing, and other places where insects hide. Apply behind and beneath refrigerators, sinks, stoves, and in and around waste containers. Repeat as necessary.

Ants: Spray trails and places where ants enter premises.

Brown Dog Ticks: Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

FOR OUTDOOR USE

Spiders, crickets, ants, clover mites, earwigs, fleas, millipedes, sowbugs, brown dog ticks: Spray infested areas thoroughly including outside surfaces of screen frames, doors, window frames, foundations, patios or other places where insects may enter or harbour. For ants, spray hills and runways.

When using indoors, avoid wetting asphalt tile, rubber and plastic materials. When using outdoors, do not spray vegetation. Do not use as a space spray.

CAUTION: Keep Out of Reach of Children. May be harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should be avoided. Wash thoroughly with soap and warm water after handling. If poisoning occurs, get prompt medical aid. Avoid contamination of food, utensils, food preparation areas. Do not use in commercial food preparation areas or in edible product areas of food processing plants. Avoid contamination of fish ponds. Remove pets from area before spraying.

**BEST AVAILABLE COPY**

**STORAGE:** Store in a cool, dry area, away from heat or open flame.

**DISPOSAL:** Do not re-use empty container. Wrap container and put in trash.

Contents of this container are under pressure. Keep container away from open flame and hot surfaces such as stoves, radiators. Temperatures exceeding 120°F may cause the container to burst. Do not puncture or incinerate.

To Physician - Atropine sulfate is antidotal.
