**GENERAL USES**

**FOR DISINFECTING OF TRAVELING PURPOSES**

Use to disinfect articles such as bed linen, clothing, towels, linens, etc. in areas where travel items are stored, such as in motor vehicles.

Use to disinfect walls, paint work, vinyl, etc., shower walls, telephone booth, airplane, etc., and other equipment, light switches, garbage cans and lockers.

**DISINFECT:** Clean object to be sprayed using usual cleaning methods. Hold dispenser upright and spray six inches from surface until surface is wet.

It is also effective against fungi such as *Trichophyton interdigitale* (causes of ring worm or athlete's foot), not intended for topical application to the body.

**FOR CONTROL OF MOLD AND MILDEW**

Prevent mold and mildew on hard surfaces such as concrete, metal, glass in basement closets, attic storage areas, summer cottages.

**DISINFECT:** Clean object by usual cleaning methods. Hold dispenser upright and spray six to eight inches from surface until surface is wet. Repeat application when new growth appears.

**FOR SPACE DEODORIZER AND AIR REFRESHER**

Use to deodorize meeting rooms, class rooms, kitchen, bathroom, sick room, living room, and churches.

**DISINFECT:** Hold can upright and point valve opening away from face. Spray upward for three seconds into corner as well as center of room, filling room with mist.

**WARNINGS**

Avoid contact with the eyes and skin; if sprayed into eyes wash with water; if irritation persists consult your physician. Paracetamol swallowed. Avoid prolonged or repeated breathing of spray mist. Avoid contamination of food stuff. Keep out of reach of children.

**WARNING:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 120° may cause bursting. Never throw container into fire or incinerator.

Do not spray on ventilated, painted or plastic surfaces.

**Active Ingredients**

1,2-Dichloroethane (66% a/c) (11.5 g)	
Diethylamine (10% a/c) (1.5 g)	0.15
