Ms. Aludia Hernandez
Chase Products Company
P.O. Box 70
Maywood, IL 60153

Dear Ms. Hernandez:

Subject: Amendment - Revised Directions of Use
SprayPak Indoor Insect Fogger Formula 5
EPA Registration Number 498-162
Your Application Dated September 18, 1996

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

- Per the Notice of Pesticide Registration dated 3/2/94, you were to add the statement **Not For Use in USDA Meat and Poultry Plants** or submit an application to USDA requesting use in these areas, since your product label has food handling establishments. To date we have not received notification from USDA granting that request. Therefore you must add the above limitation statement.

Submit two copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if inhaled: Avoid breathing vapor or spray mist. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. Do not contaminate water by disposal of waste.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Do not place on stove or radiator. Exposure to temperatures above 130°F may cause bursting.

IMPORTANT! To avoid FLAMMABILITY HAZARD, use can as follows:

- * Only one can per room.
- * Do not place in cabinet or under counter or table.
- * Shut off electrical equipment.
- * Place can at least 6 feet from pilot lights.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in apartments, attics, basements, boats, cabins, campers, closed barns, garages, homes, horse stables, household storage areas, kennels, pet sleeping areas, rooms, greenhouses, ship cabins, lathhouses, seedhouses, washrooms and the nonfood/feed areas of schools, theaters, trucks, warehouses, boxcars, hospitals, hotels, industrial plants, motels and preschools.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms, but excluding areas where foods may be prepared or held. Nonfood areas are such areas as garbage rooms, lavatories, floor drains (to sewers), entries and

vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning or bottling).

One 6 ounce aerosol can treats 6,000 cubic feet of unobstructed area (a room 30' x 25' with an 8 foot ceiling). Do not use more than one ounce of product per 1,000 cubic feet of space.

PREPARATION

Open cupboards, cabinets, trunks and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets and birds, and tightly cover or remove fish bowls and aquariums before spraying. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger (newspaper may be used). Remove or cover exposed foods, dishes, utensils or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Shut off electrical appliances. Do not place activated fogger in a cabinet or under a counter or table.

ACTIVATION OF FOGGER

SHAKE WELL JUST BEFORE USING. Place a section of newspaper on floor in center of room to be treated. NOTE: Do NOT place fogger on water-stainable surface. Do not place can within 6 feet of pilot lights. Tilt can opening away from face, and depress tab firmly with thumb until it clicks in locked position. Aiming spray away from face, set fogger on newspaper, leave room and close door. After activation, leave room or house at once. Keep area closed for 2 hours (30 minutes for flying insects) before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area inaccessible to children and pets and away from heat, sparks or open flame.

DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture.
