Washington, D.C. 20460

EPA Reg.
Number:

Date of Issuance:

498-166

11 JUL 1995

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

SprayPak Indoor
Insect Fogger,
Formula 7

Name and Address of Registrant (include ZIP Code):

Chase Products Co.
PO Box 70
Maywood, IL 60153

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 498-166".
- b. Add following to Hazards to Humans & Domestic Animals as follows: "Harmful if inhaled. Avoid breathing vapor or spray mist."
- c. Use in food handling establishments can imply use in U.S. Department of Agriculture (USDA) Meat and Poultry Plants. Therefore, either add the statement, "Not for Use in USDA Meat and Poultry Plants," or submit an application to USDA requesting use in these areas. If granted, you can then indicate on the label that the product can be used in these areas.

Signature of Approving Official:

- d. Delete the statement to use a 6 ounce can for every 1500 cubic feet of room space since it conflicts with your statement "Only one can per room" and the limitation to not use more than 1 ounce of product per 1000 cubic feet.
 - e. The statement must read, "One 6 ounce aerosol can treat 6000 cubic feet of unobstructed area . . . etc."
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

C A U T I O N

Avoid contact with eyes. In case of contact immediately flush eyes with plenty of water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Do not place on stove or radiator. Exposure to temperatures above 130 F may cause bursting.

IMPORTANT! To avoid FLAMMABILITY HAZARD, use can as follows:

- * Only one can per room
- * Do not place in cabinet or under counter or table
- * Shut off electrical equipment
- * Place cans at least 6 feet from pilot lights

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where food may be prepared or held. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food/feed should be covered or removed.

Nonfood/nonfeed areas include garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning or bottling).

935

One 6 ounce aerosol can treats up to 6,000 feet of unobstructed area (a room 30' x 25' with an 8' ceiling).

For Fleas and Ticks use one 6 ounce can for every 1,500 cubic feet of room space.

HOW TO USE

Step 1: **PREPARATION**

Open cupboards, cabinets, trunks, and doors to area to be treated to allow maximum kill in all areas where insects can hide and breed. Close outside doors and windows and shut off fans and air conditioning to maximize killing power of fog. Remove pets, birds, and tightly cover or remove fish bowls and aquariums before spraying. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger (Newspapers may be used). Remove or cover exposed foods, dishes, utensils or food handling equipment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Shut off electrical appliances. Do not place activated fogger in a cabinet or under a counter or table. Do not use more than one ounce of product per 1000 cubic feet of space.

Step 2: **ACTIVATION OF FOGGER**

SHAKE WELL JUST BEFORE USING. Place a section of newspaper on floor in center of room to be treated. NOTE: Do NOT place fogger on water-stainable surface. Do not place can within 6 feet of pilot lights. Tilt can opening away from face and depress tab firmly with thumb until it clicks in locked position. Aiming spray away from face, set fogger on newspaper, leave room and close door. After activation, leave room or house at once. Keep area closed for 2 hours (30 minutes for flying insects) before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area inaccessible to children and pets and away from heat, sparks or open flame.

DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture.
