

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
498-184

Date of Issuance:
JUL - 6 1998

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance: Conditional

Name of Pesticide Product:

Champion SprayOn
Roach, Bug & Ant
Killer

Name and Address of Registrant (include ZIP Code):

Chase Products Company
P.O. Box 70
Maywood, IL 60153

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Reg. No. 498-184".
 - b. Be sure to meet type size requirements for elements of the label with minimum type size requirements.

Signature of Approving Official:

Date:

JUL - 6 1998

page 2 of 2
EPA Reg. No. 498-184

3. Submit three (3) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

A ready-to-use product in a ready-to-use spray container. Hold the container upright and lightly spray surfaces until wet according to the directions for use. This product may be used inside and outside the home for the control of pests specified on this label.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of food or feed. Do not use on household pets or humans. Remove pets from area, and cover fish bowls before spraying. Do not allow children or pets in treated areas until sprayed surfaces have dried.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician immediately. DO NOT INDUCE VOMITING UNLESS NO OTHER TREATMENT IS AVAILABLE. Vomiting may cause aspiration pneumonia. If it necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Do not induce vomiting or give anything by mouth if person is unconscious or convulsing.

IF INHALED: Remove victim to fresh air and apply artificial respiration if indicated. Get medical attention.

IF ON SKIN: Wash promptly with soap and water. Get medical attention.

IF IN EYES: Rinse eyes with plenty of water and call a physician immediately.

NOTE TO PHYSICIAN: This product is an organophosphate insecticide. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered, but only in conjunction with atropine. This product contains Petroleum Distillate solvent, which may present an aspiration hazard. Gastric lavage may be indicated if product was taken internally.

ENVIRONMENTAL HAZARDS

This product is highly toxic to birds, fish and other wildlife. Birds feeding or drinking on treated areas may be killed. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not contaminate water by disposal.

This pesticide is highly toxic to bees exposed to direct treatment or to residues on blooming plants where they feed. Do not allow this pesticide to drift to blooming plants if bees are visiting the treatment area. Do not apply this product to or allow it to drift

Handwritten marks and symbols on the right margin, including several sets of three dots and other markings.

to food crops or any desirable vegetation at any time.

PHYSICAL OR CHEMICAL HAZARDS

Extremely flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before each use. Aim spray opening away from person. Push button to spray.

(GRAPHIC) Push straight DOWN for fine spray.
(GRAPHIC) Push straight FORWARD for stream.

INDOOR USE

CONTROLS

ANTS, BROWN DOG TICKS, CARPET BEETLES, COCKROACHES (WATER BUGS), CRICKETS, EARWIGS, FIREBRATS, SILVERFISH, SOW BUGS (PILL BUGS), SPIDERS, SPRINGTAILS.

Precautions: (1) Do not use this product indoors as an overall surface spray or as a space spray; take care not to introduce this product into the air during application. (2) Use only in well-ventilated areas. (3) Do not apply where children are likely to frequently contact treated surfaces. (4) Remove or cover fish bowls and remove pets before application. (5) Do not treat pets or plants with this product. (6) Do not allow children or pets in treated areas until spray has dried. (7) If clothing is sprayed during application, remove clothing immediately after spraying and launder before wearing again. (8) Do not apply directly to carpets or floor coverings and avoid excessive wetting of asphalt tile, rubber and plastic materials because damage may occur. (9) Care should be taken to avoid spotting of walls, wall coverings and fabrics. (10) Do not apply directly to upholstery or furniture. (11) Do not apply to areas, surfaces or utensils which will contact food or feed. (12) Exposed food should be covered or removed during application. (13) All food-processing surfaces and utensils should be covered during application or thoroughly washed with soap and water before use. (14) Do not use in edible-product areas of food-processing plants, restaurants or other areas where food or feed is commercially prepared or processed. (15) Do not use in conduits, motor housings, or electrical switch boxes.

APPLICATION

ANTS, COCKROACHES (WATER BUGS), CRICKETS, EARWIGS, FIREBRATS, SILVERFISH, SOW BUGS (PILL BUGS), SPIDERS, SPRINGTAILS.

As a supplement to good housekeeping, spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks and stoves, as well as ant trails and other localized areas where insects tend to hide. Discard infested food packages, but do not spray inside cabinets where food is stored. Spray window and door frames where ants enter. Treat difficult-to-service locations such as voids around water pipes and cracks and crevices along baseboard moldings. Repeat as necessary.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks and infested areas of shelving in closets. Repeat as necessary.

BROWN DOG TICKS: Spray infested areas around baseboards, window and door frames, wall cracks, and sleeping quarters of pets and localized areas of floors and floor coverings. Repeat as necessary. Fresh bedding should be placed in animal quarters after treatment. Do not treat animals with this product.

SPIDERS: Apply spray around windows, doors, and along baseboards. Make spot applications to other areas over which pests may crawl.

OUTDOOR USE

CONTROLS

ANTS, BROWN DOG TICKS, CHIGGERS, CLOVER MITES, FLIES, FLYING MOTHS, MOSQUITOES, WASPS.

Precautions: (1) Spray with wind to your back. If clothing becomes wet from spray during use, remove clothing after spraying, wash affected body areas thoroughly with soap and water, and launder clothing before wearing again. (2) Do not allow children or pets to contact treated areas until spray has dried. (3) Do not apply to lawns or other desirable plants.

APPLICATION

FLIES, FLYING MOTHS, MOSQUITOES, WASPS:

For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter. Treat dark corners and localized resting areas, under eaves, on porches, around patios and garages. Repeat as necessary. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

ANTS, BROWN DOG TICKS, CHIGGERS, CLOVER MITES:

For treatment of localized infestations of insects in outdoor areas, spray infected areas. Do not apply to lawns or other desirable plants. For ants, wet their hills and runways. Repeat as
