

U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7505C)  
Ariel Rios Building  
1200 Pennsylvania Ave., NW  
Washington, D.C. 20460

EPA Reg Number  
498-196

Date of Issuance  
AUG 16 2001

Term of Issuance: Conditional

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Name of Pesticide Product:

Champion Sprayon Metered  
Insecticide Spray

Name and Address of Registrant (include ZIP Code):

Aludia B. Hernandez  
Chase Products Company  
P.O. Box 70  
Maywood, IL 60153

~~Changes in labeling information or substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.~~

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. On the first page, revise the statement about how long container lasts to read:  
Lasts 28 days or more when sprayed around the clock at 15 minute intervals.
  - b. In the Directions for Use, add the following:  
In food processing areas, the dispenser may be activated only when the facility is not in operation. Foods must be removed or covered during treatment.

Signature of Approving Official:

Date:

*Marion J. Johnson, Jr.*  
Marion J. Johnson, Jr.  
Product Manager 3  
Insecticide Branch  
Registration Division (7505C)

AUG 16 2001

- c. Place the statements prohibiting use in occupied rooms in a separate paragraph, so that the prohibitions apply to use in the timed dispenser as well as manual application.
  
- 3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if inhaled. Avoid breathing spray mist. Avoid contact with skin, eyes clothing. Remove contaminated clothing and wash before reuse. Do not use in nurseries or rooms where infants, ill or aged persons, or pets (particularly birds and fish) will be confined.

**PHYSICAL & CHEMICAL HAZARDS**

**EXTREMELY FLAMMABLE:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not allow spray to contact plastic, painted or varnished surfaces.

**FIRST AID**

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is designed for use in an automatically timed dispensing cabinet. Use metered valve provided, which gives a dosage of 64 mg (0.0022 oz). The dispenser should be installed 7 ft above the floor, at least 3 ft from solvent-sensitive surfaces (plastic, painted or varnished surfaces) and 12 ft from any surface that may come in contact with food (including, but not limited to, countertops, appliances, equipment and utensils). In food-processing areas, all utensils, shelving, etc. where food

will be handle should be covered or removed before treatment or thoroughly washed with an effective cleaning compound followed by a potable water rinse prior to use.

Controls **FLIES, MOSQUITOES, GNATS AND FLYING MOTHS** in an area of 6000 cubic feet (approximately 25x25x10 ft) in dairies, barns, canneries, breweries, manufacturing plants, restaurants, hospitals, stores, motels, schools and other public buildings. Factors such as shape of area, temperature, humidity, air currents and sanitary practices all affect insect activity and may modify the area protected.

**TO USE:** Following the instructions on the dispenser, insert the container and set it to discharge at 15 minute intervals, 24 hours a day or between specific hours. \*Sprayed around the clock at 15-minute intervals, this container will last for 28 days.

If any insecticide remains in the can when it is scheduled for replacement, it may be dispensed manually. Spray directly at flies or other insects, pressing actuator button repeatedly, or use as a space spray. Close windows and doors and press actuator button 7 times per 1000 cubic feet of space. Keep can in motion, and pointed slightly upward to distribute the spray in the upper portion of the room. Do not use in occupied rooms. All persons must be removed from rooms prior to treatment. Rooms should be ventilated for two hours after spraying. Do not allow persons to re-enter room until after ventilation.

**STORAGE & DISPOSAL**

**GENERAL:** Do not contaminate other materials (including water/food/feed) during transport, use, storage and disposal. If damaged or leaking, soak up and wrap any waste, then dispose of as below.

**STORAGE:** Keep in a cool, dry, locked area inaccessible to children and away from sources of heat and ignition (including flames, sparks, hot surfaces and sunlight.) Containers heated above 130° F (54° C) may burst.

**DISPOSAL:** Do not reuse empty container. This container may be recycled in one of the limited number of aerosol recycling centers in the country. Before recycling, empty the can by using the product according to the label. **DO NOT PUNCTURE!** If recycling is not available, wrap the container with newspaper and discard in the trash.

**THE USER OF THIS PRODUCT ASSUMES ALL RISKS OF USE, STORAGE AND HANDLING NOT IN ACCORDANCE WITH ITS DIRECTIONS AND CAUTIONS.**

**KEEP OUT OF REACH OF CHILDREN**
