AND POLLUTION PREVENTION

April 25, 2016

Laura E. Radevski
Technical & Regulatory Compliance Manager
Chase Products Company
2727 Gardner Road
Broadview, IL 60155

Subject: Label Amendment – Remove sanitization claims and change primary brand name
Product Name: Champion Sprayon Air Deodorizer
EPA Registration Number: 498-200
Application Date: March 1, 2016
Decision Number: 516449

Dear Ms. Radevski:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with

• FACTORY • INSTITUTION • HOME • BEAUTY SHOP • BARBER SHOP**

**CHAMPION
AIR DEODORIZER**

Kills odor-causing bacteria in the air. Spray regularly in homes, hospitals, medical offices, health facilities, institutions, schools, hotels, motels, offices, restaurants, factories, warehouses, storage facilities, veterinary offices, kennels, beauty shops and barber shops. Use in sickrooms, bathrooms, bedrooms, gyms, locker rooms, shower rooms, restrooms and other areas where airborne bacteria cause unpleasant odors.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing.

USER SAFETY RECOMMENDATIONS

User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet
User should remove clothing/ personal protective equipment (PPE) immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing

ASTHMA & ALLERGY SUFFERERS: Consult your doctor before using this product.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact (800) 255-3924 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE! Keep away from fire, sparks and heated surfaces. (Do not use or

store near heat or open flame.) Contents under pressure. DO NOT PUNCTURE OR INCINERATE CONTAINER. Exposure to temperatures above 120°F may cause bursting.

**SHAKE BEFORE USING
DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR DEODORIZING AIR

DIRECTIONS TO TEMPORARILY REDUCE AIRBORNE ODOR-CAUSING BACTERIA AND ELIMINATE ODORS: Close all doors and windows. Close all air vents and turn off fans and air conditioners. For an average room (12' x 12' x 9'), spray upward into center of room for 10 seconds. A relative humidity between 45% and 70% provides maximum effectiveness. After spray has settled, restore normal ventilation to the room. Repeat as necessary.

Avoid contact with food, food-processing surfaces and food utensils. To determine whether any occupants have an adverse reaction to the spray, test in one room for 24 hours before using throughout the building

TOP OF BOX

STORAGE AND DISPOSAL

STORAGE: Do not store near heat, sparks or open flame. Store in a cool, dry area away from children.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

DO NOT PUNCTURE OR INCINERATE!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

END OF BOX

THE USER OF THIS PRODUCT ASSUMES ALL RISKS OF USE, STORAGE AND HANDLING NOT IN ACCORDANCE WITH ITS DIRECTIONS AND CAUTIONS.

KEEP OUT OF REACH OF CHILDREN
