

**MONEY-BACK GUARANTEE**

**DIRECTIONS:**

This pressurized spray is not a repellent per se, but when used per directions below trains dog psychologically.

**STEP 1.** To keep dog away from bed, chairs, rugs, car top, TV, etc., catch it using forbidden spot. Hold dog's head near spot with one hand; with DOG TRAINER in other hand spray dog's front foot from a distance of 4". Hold valve all the way down to thoroughly wet one of its feet.

**STEP 2.** Important! Replace cap on DOG TRAINER and leave it on forbidden spot. Repeat treatment when necessary.

**JUMPING DOGS:**

To break the habit of jumping on people have DOG TRAINER in hand and spray dog's nose or front foot while jumping. Repeat treatment for one week.
