Mr. Michael G. Sarli
Whitmire Research Laboratories, Incorporated
3568 Tree Court Industrial Boulevard
St. Louis, MO 63122

Dear Mr. Sarli:

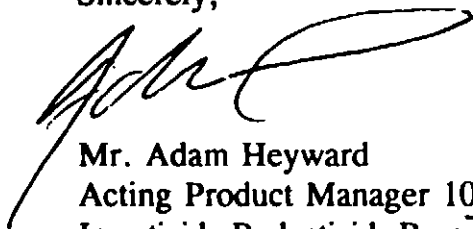

Subject: Minor Label Revisions; Change in Brand Name
Whitmire Flea Foam PT 11
EPA Registration Number 499-231
Amended Application Dated July 24, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy of the product label has been enclosed for your records.

1. We have no objection to the subject product brand name change to "Whitmire Flea Foam PT", and the record for this pesticide product has been adjusted accordingly.
2. Delete the word "Natural" from the product label text. Non-numerical and/or other comparative statements, such as the implied safety claim "Natural", regarding the safety of a particular product are prohibited. Refer to 40 CFR Part 156.10(ix)(A).

Submit three (3) copies of the final printed label prior to releasing the product for shipment bearing the amended labeling.

Sincerely,

Mr. Adam Heyward
Acting Product Manager 10
Insecticide-Rodenticide Branch

Whitmire®
Flea Foam
PT 11

Shake Well Before Using

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use on kittens or puppies under two weeks of age.

Shake well and invert can to dispense. Foam can be applied directly onto the pet or into the palm of your hand and then applied to the pet. For direct application, apply one-second bursts of Whitmire Flea Foam as hair is back combed. Foam can also be worked from the palm of the hand into the coat. Apply over the entire animal until damp, massaging or brushing the hair until the foam vanishes. Allow pet to dry. Do not apply from can directly to face, rather apply foam by hand around ears and under chin. Ensure that foam contacts and wets ticks thoroughly. Efficacy lasts for up to 8 days. Whitmire Flea Foam may be reapplied as necessary when the pet is reinfested.

CAUTION

Precautionary Statements

Hazards to Humans and Domestic Animals: Avoid contact with eyes. Some animals may be sensitive to insecticides. If adverse reactions occur, shampoo pet with non-insecticidal shampoo.

Physical or Chemical Hazards: Contents under Pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Do not store below 32°F. Exposure to temperatures above 130°F may cause bursting.

Environmental Hazards: This product is toxic to fish. Do not contaminate water, food or feed by storage or disposal.

Statement of Practical Treatment: If in eyes: Immediately flush eyes with plenty of water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame and in an area out of reach of children. Do not store below 32°F.

Disposal: Do not reuse empty container. Replace cap and securely wrap original container in several layers of newspaper and discard in trash. Do not puncture or incinerate.
