PRO-CONTROL FOGGER IV

SHAKE BEFORE USE

- Penetrating Micro-Mist.
- Kills Roaches on Contact.
- Kills Fleas and many other insects (see back panel).
- Seeks out roaches and fleas, kills on contact.
- Penetrates into cracks and crevices to kill roaches and fleas where they hide.
- No unpleasant odor.
- With Cyfluthrin.
- Water based formula.
- Non-staining.
- Specially formulated.

ACTIVE INGREDIENTS:

Pyrethrins	-----	0.500 %
Cyfluthrin (Cyano-(4-fluoro-3-phenoxyphenyl)-methyl-3-(2,2-dichloroethenyl)-2,2-dimethylcyclopropanecarboxylate)	-----	0.100 %
Technical Piperonyl butoxide*	-----	1.000 %

INERT INGREDIENTS:	-----	98.400 %
--------------------	-------	----------

*Equivalent to min. 80% (butylcarbityl)(6-propylpiperonyl) ether and max. 20% related compounds.

Contains Sodium Nitrite.

Net Wt. 1.2 oz/1000 cubic feet

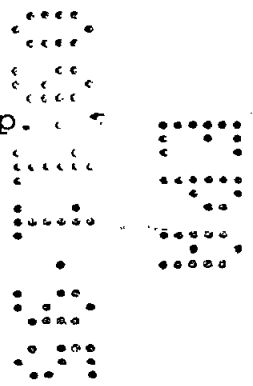

KEEP OUT OF REACH OF CHILDREN
CAUTION

SHAKE WELL BEFORE USE

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ALTERNATE "A" USE DIRECTIONS

PRO CONTROL SPRAY & FOG IV

The 2-way system will allow you to spot spray or fog, or allow a combination of both applications for complete insect control. For example, spot spray using a portion of the can for tough insect areas then use balance of can for total release fogging treatment.

TO USE AS A SPOT SPRAY

REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. Clean thoroughly before reuse. Do not smoke while using. Spot Spray hard to reach areas where insects tend to hide, such as in cabinets, under appliances, in corners, over carpets and other infested areas. Spot spray remote or sheltered areas such as inside closets or under a counter or table. Hold can so that nozzle in top is directed away from face, and PUSH actuator located on cap. Shake can occasionally.

(INSERT GRAPHIC)

TO USE AS A TOTAL RELEASE FOGGER:

1) OPEN cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. Clean thoroughly before reuse. REMOVE pets and birds, cover and turn off air flow systems in fish aquariums before spraying. COVER waxed wood floors, waxed furniture and stereo or other plastic dust covers in the immediate area surrounding the fogger, newspapers may be used.

2) CLOSE outside doors and windows. SHUT OFF fans and air conditioners. Extinguish all flames and pilot lights. Turn off electrical equipment in area being treated. Do not smoke while using.

3) Place a chair, table or stand in the center of the room to be fogged. COVER the stand and immediate area (3' diameter) with several layers of newspaper, or plastic tarp.

4) SHAKE CAN WELL. Tilt sprayer AWAY from face (container sprays straight up).

5) (a) PUSH actuator and HOLD. (b) PUSH lock tab in against actuator. (c) RELEASE pressure from actuator. Can will now totally release.

(INSERT GRAPHIC)

6) Set fogger on covered stand. Immediately leave treated area. Keep treated area closed for at least two hours. Before re-occupying area, open all doors and windows and allow treated area to ventilate for 30 minutes.

(ALTERNATE USE DIRECTIONS - SPRAY & FOG "VERSION-A")

STORAGE & DISPOSAL

STORAGE: Store away from heat or open flames in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

Store and use at room temperature.

For use in apartments, attics, basements, buses, cabins, campers, non-food/feed areas of commercial buildings, garages, hospitals*, hotels, houses, kennels, motels, nursing homes*, office buildings, railroad cars, schools**, sheds, ships, storage areas, truck trailers, warehouses, zoos.

*Do not apply this product in any rooms while occupied by patients, the elderly or infirm.

**Do not apply to classrooms when in use.

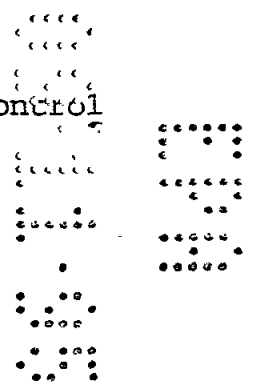

In the home, remove or cover exposed foods, dishes, utensils or wash thoroughly before use. Do not use in serving areas while food is exposed. Do not use in the food/feed areas of Commercial Food/Feed Handling Establishments, Restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Non-food/feed areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, closets, and storage (after canning or bottling).

One 6 oz can treats up to 5000 cu. ft. (625 sq ft) of unobstructed space (25' X 25' X 8'). (NOTE TO REVIEWER: This statement translates to the rate of 1.2 oz per 1000 cubic feet)

Use only one can in rooms 12'X12' or smaller. Do not use unit as a total release fogger in an area less than 100 cubic feet. Apply this product only as specified on this label. Re-treat as needed. Use additional foggers for remote areas or where free flow of mist is not assured.

Kills: Roaches, Waterbugs, Palmetto Bugs, Silverfish, Fleas, Spiders, Ants, Crickets, Houseflies, Ticks, Black Carpet Beetles, Small Flying Moths, Saw-Toothed Grain Beetles, Rice Weevils, Pillbugs, Mosquitoes, Wasps, Hornets, Yellow Jackets, Gnats, Earwigs.

For best results, use the fogger in conjunction with other Pro-Control products for ongoing control.

(ALTERNATE USE DIRECTIONS - SPRAY & FOG "VERSION-A")

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. Do not remain in enclosed area after use. Stay out of room being treated for at least two hours. Ventilate enclosed area before returning. Avoid contamination of food and foodstuffs. All food preparation surfaces should be covered during application. Apply only when no food is being prepared. Remove pets and birds, cover and turn off fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN: Wash off with soap and water. Get medical attention if irritation persists. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting. When fogging DO NOT place in small enclosed areas or restricted spaces such as cabinets, closets or under tables. Use only one can in rooms 12' X 12' or smaller.
