NOTIFICATION

NOV 21 2003

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

Notification to revise the label to include an emergency medical telephone number in the First Aid statements. This action is being submitted as a notification to correct an oversight. Final printed labeling submitted 4/22/02, per Agency comments in the Notice of Registration dated 3/1/02, already carries the First Aid statements required in the Notice of Registration and recommended in PR Notice 2001-1 with this exception. This action corrects that oversight.

Section - III

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-225-3320 for emergency medical treatment information.

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irritation. Avoid eye contact. Do not use in edible product areas of food handling establishments, restaurants or other areas while food is exposed. Avoid contamination of feed and foodstuffs.

DIRECTIONS FOR USE

**IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT
IN A MANNER INCONSISTENT WITH ITS LABELING.**

Bait should be placed in areas inaccessible to children.

INDOOR: Apply gel indoors in areas where ants are seen. Areas behind the refrigerator, stove, around water pipes, in cracks and crevices on window and door sills. Renew bait as needed. Apply only in areas inaccessible to children and pets.

OUTDOOR: Apply small, pea-sized bait placements where ants congregate or are seen entering the building. Bait near or in cracks, crevices or void spaces around windows, door jams and sills, eaves, patios, garages, under stairwells, and crawl spaces. Other areas where ants travel, hide or nest may also be baited (i.e. fences, trees, tree holes and around concrete slabs and asphalt covered areas). Renew bait as needed, keeping in mind that outdoor gel placements may dry more quickly than indoor placements and may have to be replaced more frequently.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: STORE IN A COOL PLACE. Store in original container away from food and feedstuffs. Keep product in a locked storage area.

DISPOSAL: Do not reuse container. Wrap and place in trash collector.

**RE: Notification of Label Revision
TC 228; EPA Reg. No. 499-492**

Dear Ms. Edwards:

Enclosed in support of this action are a completed application and one copy of revised labeling.

This letter serves as notification of the addition of a medical emergency number to the First Aid statements per PR Notice 2001-1. I am submitting this action as a notification simply to correct an oversight. Final printed labeling submitted 4/22/02, per Agency comments in the Notice of Pesticide Registration dated March 1, 2002, carries the First Aid statements required in the Notice of Registration and recommended in PR Notice 2001-1 with the exception that it did not include the following statements:

"Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-225-3320 for emergency medical treatment information."

Again, this action merely corrects that oversight.

Please take a moment to complete the enclosed self-addressed, postage paid card indicating the status of this notification and drop it in the mail for our records. Your assistance in this regard is greatly appreciated. As always, please do not hesitate to contact me at (636) 861-4223 or, via electronic mail at dana.thomas@jwp.com, should you have any questions or comments regarding this action.

Sincerely,

WHITMIRE MICRO-GEN RESEARCH LABORATORIES INC.

A handwritten signature in cursive script that reads 'Dana M. Thomas'.
