Insect Spray

SIDE PANEL I

CAUTION - FLAMMABLE MIXTURE. Do not spray into or near open flame. Do not smoke while spraying. N.Y.C.F.D. C. of A. No. _____

LINCK HOUSEHOLD INSECT SPRAY is a highly effective new formulation which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides.

Ants	Fleas	Scorpions
Brown dog ticks	Flies	Saw-toothed grain beetles (exposed stage)
Clover Mites	Millipedes	Silverfish
Crickets	Mesquitoes	Sowbugs
Earwigs	Roaches	Spiders

In addition to rapid kill, Linck Household Spray stays on treated surfaces and kills insects many weeks after the spray deposit has dried.

HOW TO USE: Linck Household Insect Spray is ready to use undiluted as it comes from the can, and may be applied with either power-operated or hand sprayers. Apply as a coarse spray to infected surfaces until wet, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material. Direct spray away from people, plants, and pets.

RESTRICTIONS: Do not apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor coverings. Do not allow the small, finger-operated, plastic attachment type sprayer to remain in LINCK Insect Spray solution for extended periods as the plastic sprayer may be damaged.

GUARANTEE

ACTIVE INGREDIENTS:	
o-Isopropoxyphenyl methylcarbamate + ...	1%
Petroleum Distillate	83%
INERT INGREDIENTS:	16%
	<u>100%</u>

DIRECTIONS FOR USE

IMPORTANT: Read these entire Directions and Conditions of Sale, including the Warranty and Limitation of Damages provision, before using LINCK Insect Spray.

CONDITIONS OF SALE: These Directions for Use reflect the opinion of experts based on tests of effectiveness, of toxicity to plants and laboratory animals and of residues on or in food and feed under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller. O.E. Linck Co. Div. and the Seller offer, and the Buyer uses, this product subject to the understanding that the Buyer assumes all such risks.

Indoor Use:

ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS, SAW-TOOTHED GRAIN BEETLES (EXPOSED STAGE), WATERBUGS: Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or house plants. Remove pets and cover fish bowls before spraying. Do not allow children to contact treated areas until surfaces are thoroughly dry.

BROWN DOG TICKS: Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

Outdoor Use:

ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEAS, FLIES, MILLIPEDES, MOSQUITOES, SOWBUGS, AND BROWN DOG TICKS: Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

CAUTION

May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly after using. Avoid contamination of food, utensils, and food preparation areas.

Should illness occur, get prompt medical aid.
To Physician - Atropine sulfate is antidotal.

WARRANTY AND LIMITATION OF DAMAGES

Disclaimer: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk and use and/or handling of this material when such use and/or handling is contrary to label instructions.

~~shall not include consequential commercial damages such as loss of profits or value, etc.~~
