Greely, CO 80631-9375

Dear Ms. Davis:

Subject: Amended Label  
TAT Ant Trap  
EPA Reg. No.: 506-137  
Submission dated August 20, 2008

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable. A stamped copy is enclosed for your records. Submit two copies of your final printed labeling before you release the product for shipment. Should you have any questions, please contact me at 703-308-8735 or [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Sincerely,

A handwritten signature in cursive script that reads "Julie Anne Chao".

**First Aid**

<b>If Swallowed</b>	<ul style="list-style-type: none"> <li>• Call a poison control center or doctor immediately for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
Have the product container or label with you when calling a poison control center or doctor or going for treatment. [For information regarding medical emergencies or pesticide incidents, call 1-866-767-5047.]	
<b>Note to Physician:</b> Propoxur is a reversible cholinesterase inhibitor. Atropine sulfate is antidotal and should be administered only if symptoms appear.	

{Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. This product contains peanut butter; persons with known peanut allergies should exercise caution when pressing in semi-perforated holes. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

**Environmental Hazards**

This product is toxic to wildlife and aquatic invertebrates. Birds and small mammals feeding on treated bait may be killed. Do not apply directly to water. Do not contaminate water by cleansing of equipment or disposal of wastes.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL BEFORE USING.**

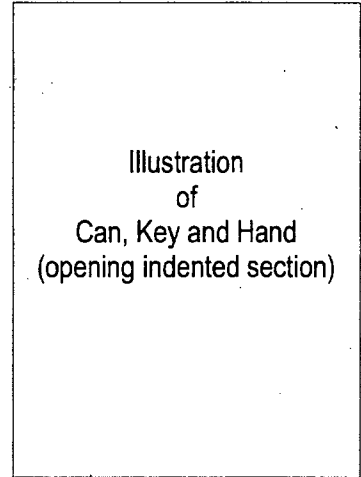

**USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.  
READ INSTRUCTIONS BEFORE PRESSING IN SEMI-PERFORATED HOLES**

**Precautions and Restrictions**

- Place bait in areas inaccessible to children and domestic animals.
- Do not contaminate feed, food products, food preparation surfaces, dishes, kitchen utensils or food containers.

**Application Instructions**

- Find indented sections on the sides of the can.
- Simply apply pressure with key until they open (see illustration).
- **Indoors:** Place bait where ants are numerous (under sinks, stoves, refrigerators and cabinets).
- **Outdoors:** Place bait near ant colonies and along trails.
- A reduction in activity should be noticeable within one week after bait placement.
- Ants enter bait and carry food back to nest.

**For additional information call {telephone number}**

**[Storage and Disposal]**

**Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets. Keep pesticide in original containers. **Disposal: If empty:** Do not reuse this container; place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** To the extent consistent with applicable law, Buyer assumes all responsibility for safety and use not in accordance with directions. **[NOTICE:** To the extent consistent with applicable law, Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.]

**Money Back Guarantee:** If TAT Ant Trap does not provide satisfactory results return all [number] bait traps, in their original package, to Walco-Linck.

**[The ORTHO Guarantee**

If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.]
