### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove baits from tray by placing both thumbs on label of bait. Push out bait. Use the baits on floors, under sinks, refrigerators, in storage areas, shelves, cabinets, or wherever ants have been seen. For best results, place all baits at same time. Repeat as necessary for continuous control.

[Alternate Directions for Use:

Press in semi-perforated holes on side of trap.]

**INDOORS:** Use the traps [baits] on floors, under sinks, refrigerators, in storage areas, shelves, cabinets, or wherever ants have been seen. For best results, place all traps [baits] at same time. Repeat as necessary for continuous control.

**OUTDOORS:** Place trap [bait] near ant colonies and along trails. A reduction in activity should be noticeable within one week after trap placement.

**STORAGE:** Store in original container in an area inaccessible to children and pets. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.
