Walco Linck Company
c/o Mr. Dean Moser
RegWest Company, LLC
8203 West 20th Street, Suite A
Greeley, CO 80634-4696

Subject: Amended Reregistration Label
Product Name: TAT Roach & Ant with Residual Action 2491
EPA Registration Number: 506-176
EPA Decision Number(s): 424936

Dear Mr. Moser:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the reregistration of the referenced product in connection with the MGK-264, Piperonyl butoxide, and Allethrin REDs and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 2/18/2011
- Alternate CSF A dated 2/18/2011
- Alternate CSF B dated 2/18/2011

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Dana Pilitt, Ph.D. at (703) 305-7071 or via e-mail at pilitt.dana@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

First Aid

If Inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on Skin or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [For information regarding medical emergencies or pesticide incidents, call 1-xxx-xxx-xxxx.]

Note to Physician: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

(Note: The First Aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.)

Personal Protective Equipment (PPE)

Applicators and other handlers must wear the following:

- long-sleeve shirt
- long pants
- shoes and socks
- chemical-resistant gloves made of barrier laminate, nitrile rubber, neoprene rubber or Viton.

User Safety Requirements

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. User should immediately remove clothing/PPE if pesticide gets inside. Then thoroughly wash and put on clean clothing. Users should immediately remove after handling this product. As soon as possible, thoroughly wash and change into clean clothing.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if inhaled or absorbed through skin. Causes moderate eye irritation. Avoid breathing vapor or spray mist. Avoid contact with skin, eyes or clothing. Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Environmental Hazards

This pesticide is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment, washwater or rinsate. See *Directions for Use* for additional precautions and requirements.

Physical or Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or around electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Precautions and Restrictions

Shake Well Before Use Do Not Use as a Space Spray

Do not enter or allow others to enter until sprays have dried. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. Do not wet articles to point of runoff or drip. Do not use treated article until spray has dried. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparations surfaces or wash them before use. Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms, but exclude areas where foods may be prepared or held. Avoid contamination of food or food-handling surfaces. Remove pets/birds and cover fish aquariums before spraying. Do not use in aircraft cabins.

Outdoor uses are limited to spot treatments only. Broadcast applications are prohibited. Use this spray only as a spot or crack and crevice treatment to kill cockroaches [roaches], fleas, silverfish, ticks, waterbugs and other insects listed below. Broadcast surface applications are prohibited. Apply this product only as a coarse spray or crack and crevice treatment to localized areas where pests are found or may occur. Spray surfaces until wet, but not to the point of run-off. Do not water the treated area to the point of run-off. Do not make applications during rain. Do not apply directly into sewers or drains or to any area like a gutter where drainage to storm sewers, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

For Spot Treatment

Spray in bursts of 3-5 seconds per spot from a distance of 4-6 inches.

[To Kill] Ants, Black Widow Spiders, Carpet Beetles, Cockroaches [Roaches], Crickets, Silverfish, Sowbugs and Spiders	Spray areas where these insects are found or may hide including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves and refrigerators; in cabinets; and around garbage cans, plumbing and other utility installations. Spray pests driven out of hiding places. For ants, spray ant trails, around doors and windows and wherever else these pests may find entrance. Repeat treatment ever 4 weeks as needed.
[To Kill] Fleas and Ticks	Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters; nearby cracks and crevices; along and behind baseboards and window and door frames; and on localized areas of floor and floor coverings where these pests may be present. Remove old pet bedding and replace with clean, fresh bedding after treatment. Do not spray pets with this product. Prior to pets' reentry into treated areas, treat pets with a flea and tick control product registered for use on pets.

For Crack and Crevice Treatment

Spray for 4-8 seconds.

[To Kill] Ants, Black Widow Spiders, Carpet Beetles, Cockroaches [Roaches], Crickets, Fleas, Silverfish,	Apply spray in small amounts directly into cracks and crevices. Use a transfer [delivery] tube capable of delivering a pin stream in points between different elements of construction; between equipment and floors; in openings leading to voids and hollow spaces in walls; and on equipment legs and bases where these insects hide. Avoid depositing product onto exposed surfaces or introducing material into the air.
--	---

Sowbugs, Spiders and
Ticks

[To Kill] Flies and
Mosquitoes

Use only outdoors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter the premise. Also spray dark corners and localized resting areas such as porches, patios, garages and under eaves where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a cool, dry (preferably locked) storage area inaccessible to children and pets and way from heat or open flame. Store away from food and pet food. **Pesticide Disposal and Container Handling:** Non-refillable container; do not reuse or refill this container. Do not Puncture or Incinerate! **If empty:** Offer for recycling if available, otherwise discard in trash. **If partly filled:** Call your local solid waste agency for disposal instructions.

{Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.}

Notice: To the extent not prohibited by applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

[Money Back Guarantee: If this product fails to kill the listed insects when used as directed, mail container to Walco Linck for a full refund.]
