Federal Regulations Prohibit CFC Propellants in Aerosols

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

{Domestic/homeowner storage and disposal directions:}

**[Storage and Disposal]**

**Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from sources heat or ignition. **Disposal:** Replace cap, wrap container and put in trash. Do not incinerate or puncture. [Alternate Disposal Directions: **Disposal:** This container may be recycled in aerosol recycling centers. Before offering for recycling, empty the can by using the product according to the label (**Do not puncture!**). If recycling is not available, replace cap, wrap the container and put in trash.]

{Non-domestic/homeowner storage and disposal directions:}

**Storage and Disposal**

**Pesticide Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from sources of heat or ignition. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** This container may be recycled in aerosol recycling centers. Before offering for recycling, empty the can by using the product according to the label (**Do not puncture!**). If recycling is not available, replace cap, wrap the container and put in trash.

**General**

**Shake Well Before Use Do Not Use as a Space Spray**

Use this residual spray only as a spot or crack and crevice treatment to control cockroaches [roaches], fleas, silverfish, ticks, waterbugs and other insects listed below. Apply this product only as a coarse spray or crack and crevice treatment to localized areas where pests are found or may occur. Spray surfaces until wet, but not to the point of runoff. Repeat as needed. Not for use in Federally inspected meat and poultry plants.

Do not allow children or pets to contact treated surfaces until spray has dried. Do not apply this product in patient rooms or in any rooms while occupied by the elderly or infirm. Do not apply to classrooms while in use. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover or remove exposed food. Do not use in commercial food processing, preparation, food storage or serving areas. Non-food areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries, vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, closets and storage areas (after canning or bottling). Not for use in federally-inspected meat and poultry plants.

**For Spot Treatment**

[To Kill] Ants, Carpet Beetles, Cockroaches [Roaches], Crickets, Silverfish, Sowbugs and Spiders  
Spray areas where these pests are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators and cabinets; and around garbage cans, plumbing and other utility installations. Directly spray pests driven out of hiding places. For ants, apply to ant trails, also around doors and windows and wherever else these pests may find entrance. Repeat as necessary.

[To Kill] Brown Dog Ticks and Fleas  
Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters; nearby cracks and crevices; along and behind baseboards; window and doorframes and localized areas of floor and floor coverings where these pests may be present. Remove old pet bedding and replace with clean, fresh bedding after treatment. **Do not spray pets with this product.** Prior to pet's reentry into treated area, treat pets with a flea and tick control product registered for use on pets.

**For Crack and Crevice**

[To Kill] Ants, Brown Dog Ticks, Carpet Beetles, Cockroaches [Roaches], Crickets, Fleas, Silverfish, Sowbugs, and Spiders  
Apply spray in small amounts directly into cracks and crevices, in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where these insects hide. Do not allow spray to contact exposed surfaces and do not introduce spray into the air. Do not contaminate food or food processing surfaces.

Flies and Mosquitoes  
Use only outdoors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and doorframes as well as other areas where these pests may find entrance. Also spray dark corners and localized resting areas (such as under eaves) of porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when necessary.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if swallowed or absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin or eyes. Wash with soap and water after use. Do not contaminate food or feedstuffs. When used indoors, remove pets and birds and cover fish aquariums before spraying.

**First Aid**

<b>If Swallowed</b>	<ul style="list-style-type: none"> <li>• Immediately call a poison control center or doctor for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul>
<b>If Inhaled</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li> <li>• Call a poison control center or doctor for further treatment advice.</li> </ul>
<b>If on Skin or Clothing</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in Eyes</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-740-8712 (the international poison center) for emergency medical treatment information.</p>	

**Physical or Chemical Hazards**

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration may cause explosion. Do not use this product in or around electrical equipment due to the possibility of shock hazard.

**Environmental Hazards**

This product is toxic to fish. Do not apply to any body of water. Do not contaminate water by disposing of wastes.

**For additional information call 1-800-338-2329**

**Notice:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Money Back Guarantee:** If this product fails to kill the listed insects when used as directed, mail container to Walco-Linck for a full refund.
