Date of Issuance:

MAR - 8 1999

Term of Issuance: Conditional

Name of Pesticide Product:

TAT Total Release Water Based  
Fogger

NOTICE OF PESTICIDE:

Registration

Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Walco-Linck Company  
c/o RegWest Company  
P.O. Box 2220  
Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
  - a) Revise the EPA Registration Number to read "EPA Reg. No.506-181"
  - b) We do not have on file, nor in the file of the product you cited (EPA Reg. No. 1021-1648) any efficacy data for flies, cockroaches, fleas and ticks. If you wish to retain these pests, please submit the appropriate efficacy data or cite (with MRID numbers) data from another product. Please note that if you cite another product you will additionally need to enclose an offer to pay statement.
- 3) Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

EPA Reg. No. 506-RIR EPA Est. \_\_\_\_\_

Manufactured for  
**WALCO-LINCK COMPANY**  
18 Ford Products Road, Drawer A  
Valley Cottage, NY 10989

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product will kill ants, cockroaches, confused flour beetles, crickets, fleas, houseflies, mosquitoes, rice weevils, saw-toothed grain beetles, small flying moths, sow bugs, spiders and ticks.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. X 5 ft. or smaller; instead, allow fog to enter from other rooms. *Turn off ALL ignition sources such as pilot lights (shut off gas valves), or other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.).* Call your gas utility or management company if you need assistance with your pilot lights.

Cover exposed food, dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Close doors and windows. Point valve opening away from face when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Do not remain in the area during treatment and ventilate thoroughly before reentry.

**To operate valve:** Place several layers of newspaper or a pad on a stand or table in the center of the room. Point valve opening away from face. To lock valve in open position for automatic discharge, press valve button all the way down, hooking the catch. Then place fogger on stand or table with valve locked open. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

**To kill fleas and ticks:** Destroy pet's old bedding and replace with clean, fresh bedding after treatment is completed. Use product as above. Pets should be treated with a flea and tick control product registered for pet treatment prior to reentering treated premises.

**Storage and Disposal**

**Storage:** Store in a cool dry area away from heat or open flame. **Disposal:** Replace cap and discard container in trash. Do not incinerate or puncture.

**PRECAUTIONARY STATEMENTS****Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if inhaled or absorbed through skin. Avoid inhaling spray mist and contact with skin or clothing. Wash thoroughly after handling. Remove contaminated clothing and wash before reuse. Do not use in commercial/feed handling establishments, restaurants or other areas where food/feed is commercially prepared, processed or stored. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds and cover fish aquariums before spraying.

**First Aid**

**Swallowed:** Call a physician or poison control center immediately. Do not induce vomiting because of aspiration pneumonia hazard. **If in Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If on Skin:** Wash thoroughly with soap and water. Get medical attention if irritation persists. **If Inhaled:** Remove person to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. Get medical attention.

**Physical or Chemical Hazards**

[Flame Graphic]

Highly Flammable Ingredient

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the *Directions for Use* on this label very carefully.
