APPLICATION	DILUTION	INSTRUCTIONS
Disinfecting Solution	1 oz. QA-40 3 gallons water	After cleaning floors, walls and woodwork, spray or swab so as to contact all surfaces thoroughly. Rinse surfaces coming in contact with food and potable water before use.
Multi-purpose Deodorant Solution	1 1/2 oz. QA-40 1 gallon water	Wet wipe, mop or spray. Will not harm any surface not harmed by water.
Toilet bowl, urinal, sink, shower stall and bathtub Deodorant	3/4 oz. QA-40 2 fixtures	Pour QA-40 into each bowl or drain opening, let stand. Repeat daily until odor disappears . . . then perform weekly.
	1 1/2 oz. QA-40 1 gallon water	Solution enough for 4 individual applications. Scrub fixtures or area with solution; pour some solution down drain. Repeat daily until odor disappears . . . then perform weekly.
Urinal, bedpan and commode Deodorant	3/4 oz. QA-40 per "container"	Add QA-40 to bottom of container and cover with about 1" of water. Leave solution in container during use.
Garbage pail (any size) Deodorant	1 1/2 oz. QA-40 per pail	Clean pail in regular manner, add QA-40, cover with about 1" water, swish, let stand. Leave solution in pail during use.
Soiled diaper and laundry container Deodorant	3/4 oz. QA-40 per container	Clean container in regular manner, add QA-40, cover with 1" water, swish, and let stand. Leave solution in during use.
Fish and meat department Deodorant	1 1/2 oz. QA-40 per 100 square feet	Sprinkle QA-40 over area to be deodorized and hose down. Rinse surfaces coming in contact with food with potable water before use.
Drain Deodorant	1 1/2 oz. QA-40 per drain	Empty QA-40 into drain and follow with hot or cold water. Repeat daily until odor disappears, then add when needed. Rinse surfaces coming in contact with food with potable water before use.
Heating and air-conditioning filter Deodorant	1 1/2 oz. QA-40 10 gallons water	Soak filters in solution for at least five minutes and remove. Shake and let air dry if possible.
Truck beds, freight and passenger car Deodorant	1 1/2 oz. QA-40 1 gallon water	Spray or swab area to be deodorized. Let stand for as long as practical.
Latrine Deodorant	1 1/2 oz. QA-40 10 gallons water	Pour solution into area that will contain waste. Repeat as often as necessary.

**DANGER: KEEP OUT OF REACH OF CHILDREN.** Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

**FIRST AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
