Attn: Raymond Chaplar

Subject: Unit Blue Beauty Pak
EPA Registration No. 507-8
Amendment dated July 8, 1991

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Include the heading "Precautionary Statements" above the statement "Hazards to Humans and Domestic Animals".
 - b. Delete the phrase "High Concentration solutions" in the precautionary statements and revise the statement with "Causes eye damage and skin irritation".
 - c. In the statement of Practical Treatment, revise the sentence beginning with "If swallowed, quickly drink large quantities of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water" to read "If swallowed, drink large quantities of water".
 - d. In the ingredient section, move the words "Active Ingredients" over so that it is aligned to the same margin as the "Inert Ingredients."
 - e. The signal word "DANGER" must be placed immediately above the child hazard warning statement "Keep Out of Reach of Children" and move to the front panel of your label below the ingredient statement.

CONCURRENCES

SYMBOL							
SURNAME							
DATE							

f. Move the misuse statement "It is a violation of Federal ..." so it will appear immediately below the heading "Directions For Use."

g. Revise the statement "See side panel for additional cautions" to read "See side panel for additional precautionary statements".

h. Move the "Ingredient Section" so it will appear immediately above the "Precautionary Statements".

i. Refer to the enclosure entitled "Efficacy Evaluation and Technical Management Section, Efficacy Review - II for additional review comments and labeling deficiencies. Also refer to the enclosure entitled "THE LABEL" for appropriate label formatting.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 305-6982.

Sincerely,

John H. Lee

Hazards to humans and domestic animals
DANGER: Keep out of reach of children.
Corrosive. High concentration solutions cause eye damage and skin irritation. Do not get in eyes on skin or on clothing. Wear eye protection when handling. Harmful or fatal if swallowed. Avoid contamination of food.
STATEMENT OF PRACTICAL TREATMENT:
In case of contact, immediately flush eye or skin with plenty of water for at least 10 minutes. Call a physician for eye contact. Remove and wash contaminated clothing before reuse. If swallowed, quickly drink large quantities of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water.
Note to Physicians:
Probable mucosal damage may contraindicate the use of gastric lavage.
