REFRESHEN AIR

mist air refreshener

SHAKE WELL BEFORE USING

1. KILLS OFFENSIVE ODORS FAST! Point can up toward center of room, then press button, with arrow pointing away from you. Avoid spray getting into eyes by directing away from the face. Refreshen Air clears the air to help keep your home odor-free. Use regularly when you clean the house, for best results.

2. SANITIZES THE AIR! Helps lessen danger of airborne infection by reducing bacteria and virus count. To sanitize, spray 8 to 10 seconds in average room (12' x 12' x 9'). Spray 4 times daily, and more often if windows are open.

ACTIVE INGREDIENTS: Triethylene Glycol 4%, Dipropylene Glycol 3%, Isopropyl Alcohol 9.55%.

INERT INGREDIENTS: 83.45%.

CAUTION: Contents under pressure. Do not puncture or incinerate can. Store at normal room temperature. Do not expose to heat. Keep out of children's reach.
