7  
 1. Read and follow all directions on the label.  
 2. Do not use if the container is damaged or leaking.  
 3. Do not use if the container is empty or if the contents are not clearly labeled.  
 4. Do not use if the container is not clearly labeled.

### Storage and Disposal

1. Store in a cool, dry place.  
 2. Do not store near food, feed, or other products.

### STORAGE AND HANDLING

1. Handle drums carefully so as to prevent leakage. IN CASE OF DAMAGE OR LEAKING TELEPHONE YOUR SUPPLIER.
2. Store drums in a well-ventilated area.
3. Open drums only when set on an unobstructed floor. Unscrew both the top and bottom caps to relieve internal pressure. Then remove caps.
4. To empty drums, connect a hose to the top cap and the other to a drainage system.
5. In case of spill or leak, remove drums away from work area and place in a safe place. Do not use the container for proper disposal of the solution.
6. Empty container retains its label. Observe all label instructions. Do not reuse container if you cut or weld containers.

1. Do not use if the container is damaged or leaking.  
 2. Do not use if the container is empty or if the contents are not clearly labeled.  
 3. Do not use if the container is not clearly labeled.  
 4. Do not use if the container is not clearly labeled.
