Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 524-307	Date of Issuance: APR -7 2004
	Term of Issuance: Unconditional	
	Name of Pesticide Product: Triallate Technical	
Name and Address of Registrant (include ZIP Code): Monsanto Company 600 13 th Street, Suite 660 Washington, DC 20005		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above, subject to the following provisions.</p> <ol style="list-style-type: none"> Submit the following data required by the RED. Refer to RED for discussion. <ol style="list-style-type: none"> Field accumulation in rotational crops Aquatic Invertebrate life-cycle (21 days) study Aquatic plant growth studies Surface drinking water monitoring study. Crop field trial-wheat hay (If submitted waiver request is not accepted) Processed food/feed-barley (If submitted waiver request is not accepted) In the precautionary statements of your label, the statements "Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing vapors may be removed from your label. If you wish to maintain these statements, the statement "If Swallowed" must be placed ahead of those statements. In the First Aid section of your label the statements pertaining to "If in Eyes" maybe be removed from your label. If you choose to maintain the "If in Eyes" section, the section concerning "If Swallowed" must be placed ahead of the "If in Eyes" section. The heading "Directions for Use" must be added to your label. 		
Signature of Approving Official: 	Date: 4-7-04	

5. The misuse statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling.", must be added to the label.

6. Replace your current "Disposal" statement with the one below.

--Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by the use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office of guidance.--

Enclosed is a copy of your label stamped "Acceptable". This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain registration of your product.

Submit two (2) copies of your final printed labeling incorporating the above changes for our files.
