# JAN/SAN™ V HERBICIDE by Monsanto

Read the entire label before using this product.  
REFORMULATION OR REPACKAGING IS PROHIBITED

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

Keep out of reach of children.

### CAUTION!

MAY CAUSE EYE IRRITATION

Avoid contact with eyes, skin or clothing.  
Wash thoroughly with soap and water after handling.

**FIRST AID: IF IN EYES**, immediately flush with plenty of water for at least 15 minutes. Get medical attention.

**IF ON SKIN**, immediately flush with plenty of water. Wash clothing before reuse.

In case of emergency involving this product, Call Collect, day or night,  
(314) 694-4000

### Environmental Hazards

Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

### Physical or Chemical Hazards

Spray solution of this product should be mixed, stored and applied only in stainless steel, aluminum, fiberglass, plastic and plastic-lined steel containers.

DO NOT MIX, STORE OR APPLY THIS PRODUCT OR SPRAY SOLUTIONS OF THIS PRODUCT IN GALVANIZED STEEL OR UNLINED STEEL (EXCEPT STAINLESS STEEL) CONTAINERS OR SPRAY TANKS. This product or spray solutions of this product react with such containers and tanks to produce hydrogen gas which may form a highly combustible gas mixture. This gas mixture could flash or explode, causing serious personal injury, if ignited by open flame, spark, welder's torch, lighted cigarette or other ignition source.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

## Storage and Disposal

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

**STORAGE:** Store this product in its original container and in a secured storage area.

**DISPOSAL:** Wastes resulting from the use of this product that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticide disposal or in accordance with applicable Federal, state or local procedures.

Emptied container retains vapor and product residue. Observe all labeled safeguards until container is destroyed.

Do not reuse container. Triple rinse container. Then puncture and dispose of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

This product is a nonselective herbicide that is applied as a foliar spray for the control of many weeds around buildings, vacant lots, storage and recreational areas, gravel or ground bark mulch, shade trees, ornamentals and shrubs, along fences, sidewalks, driveways and patios, and prior to planting turfgrasses or shrubs.

This product requires use with a nonionic surfactant at a 1/2 to 1 per cent solution (2/3 to 1-1/3 fluid ounce per gallon of spray solution). Use nonionic surfactants with greater than 50% active ingredient. Read and carefully observe surfactant cautionary statements and other information appearing on the surfactant label.

This product is absorbed by the leaves and moves throughout the stem and roots to control the entire plant. Visible symptoms may require a week or more to appear. Symptoms are a gradual wilting and yellowing of the sprayed plant followed by deterioration of both shoots and roots. This product has no herbicidal activity in the soil and will not wash or leach to affect nearby vegetation.

DO NOT APPLY THROUGH ANY TYPE OF IRRIGATION SYSTEM

THIS PRODUCT CAN INJURE OR DESTROY ALL VEGETATION CONTACTED. AVOID SPRAY DRIFT CONTACT WITH DESIRABLE LAWN GRASSES, FLOWERS, VEGETABLES, SHRUBS OR TREES. DO NOT CONTACT GOLF COURSE OR EXPOSED NONWOODY ROOTS OF TREES OR SHRUBS. IF DESIRABLE VEGETATION IS CONTACTED, WASH IMMEDIATELY WITH WATER.

WEEDS CONTROLLED: When applied as recommended under the conditions described, this product controls many common weeds including the following:

**ANNUALS:** Chickweed, Crabgrass, Foxtail, Pigweed (redroot, smooth), Ragweed (common, giant).

**PERENNIALS:** Alligatorweed, Bermudagrass, Bluegrass (Kentucky), Cactail, Dallisgrass, Johnsongrass, Thistle (Canada), .

**BRUSH AND TREES:** Kudzu, Maple, Oak, Poison Ivy

**MOWING AND SPRAYING:** Hand-held sprayers - add 1-1/3 to 2-2/3 ounces (3-8 tbsp) of this product and 2/3 to 1-1/3 fluid ounces of a recommended nonionic surfactant per each gallon of clean water. For best results, use the higher recommended rate for hard-to-control perennials, brush and trees. One application of most weed certain hard-to-control weeds are not complete within 4 week repeat application. Use pump-up-type sprayers. USE OF HOSE-END SPRAYERS OR SPRINKLER-TYPE DEVICES MAY RESULT IN POOR AND/OR ERRATIC RESULTS.

Ensure uniform and complete spray coverage, but do not spray past the point that the spray solution runs off. Use a coarse spray. Do not spray during windy conditions, as spray drift may cause damage to vegetation contacted.

**WHEN TO APPLY:** Apply to vigorously growing plants. Apply to all weeds anytime after emergence. For best results on perennial weeds apply after seedheads, flowers or borses appear. On woody brush and trees, apply after leaves have fully expanded. Applications made at or after the recommended stage of growth may result in reduced control. Where mowing, clipping or tilling has occurred, allow weeds to regrow to the recommended growth stage before spraying the product.

Rainfall or watering occurring within 6 hours after application may reduce effectiveness. Heavy rainfall or irrigation within 2 hours after application may wash the product off the foliage and a repeat treatment may be required. Delay mowing, cutting or otherwise disturbing treated area at least 7 days after application. This allows time for this product to act within the plant for the most effective results.

### LIMIT OF WARRANTY AND LIABILITY

The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes set forth in the Complete Directions for Use label booklet (Directions) when used in accordance with those Directions under the conditions described here. NO OTHER EXPRESS WARRANTY OR IMPLIED WARRANTY OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. This warranty is also subject to the conditions and limitations stated here.

Buyer and all users are responsible for all loss or damage from use or handling which results from conditions beyond the control of this Company, including, but not limited to, incompatibility with products other than those set forth in the Directions, application to or contact with
