Form Approved. OMB No. 2070-0060

United States Environmental Protection Agency Washington, DC 20460

Registration Amendment Other

OPP Identifier Number 268267

Application for Pesticide - Section I

1. Company/Product Number 524-326
2. EPA Product Manager Mr. James Tompkins
3. Proposed Classification [X] None [] Restricted
4. Company/Product (Name) Accord Herbicide PM# 25
5. Name and Address of Applicant Monsanto Company
6. Expedited Review. In accordance with FIFRA Section 3(c)(3) (b)(i), my product is similar or identical in composition and labeling to: EPA Reg. No. Product Name

Section - II

[X] Amendment - Explain below. [] Final printed labels in response to Agency letter dated MAY 7 2001
[] Resubmission in response to Agency letter dated
[] Notification - Explain below. [] "Me Too" Application.
[] Other - Explain below.

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

New supplemental label for use with Quicksorb Penetrant for Dormant Stem and Basal applications to woody brush and trees - removal of the expiration date.

Section - III

1. Material This Product Will Be Packaged In: Child-Resistant Packaging, Unit Packaging, Water Soluble Packaging, 2. Type of Container, 3. Location of Net Contents Information, 4. Size(s) Retail Container, 5. Location of Label Directions, 6. Manner in Which Label is Affixed to Product

Section - IV

1. Contact Point (Complete items directly below for identification of individual to be contacted, if necessary, to process this application.) Name: Dr. Marsha Gray, Title: Registration Manager, Telephone No. (202) 783-2460
Certification: I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete.
2. Signature: Annette M. Kirk, 3. Title: Registration Manager, 4. Typed Name: Annette M. Kirk, 5. Date: May 1, 2001, 6. Date Application Received (Stamped)

SUPPLEMENTAL LABELING

READ AND FOLLOW THE ENTIRE LABEL FOR ACCORD® HERBICIDE BEFORE PROCEEDING WITH THE USE DIRECTIONS CONTAINED IN THIS SUPPLEMENTAL LABELING.

"Label" as used in this supplemental labeling refers to the label booklet for Accord herbicide and this supplement.

NOTIFICATION
MAY 7 2001

EPA Reg. No. 524-326

Accord is a registered trademark of Monsanto Company.

DORMANT STEM AND BASAL APPLICATIONS OF ACCORD HERBICIDE PLUS QUIKSORB PENETRANT FOR CONTROL OR PARTIAL CONTROL OF WOODY BRUSH AND TREES.

Keep out of reach of children.

CAUTION!

In case of emergency involving this product, call Collect, day or night, 314-694-4000.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with the labeling.

This label must be in the possession of the user at the time of the herbicide application.

When applied as directed, this product will control or partially control woody brush and trees in areas such as utility rights-of-way, forestry sites, roadsides, railroads, drainage ditches and canals, fence rows, and similar non-crop areas.

This application technique is recommended for directed spot treatment of trees and brush. Apply this product using backpack, hand-held, handgun or similar equipment. Use flat fan, cone, or similar nozzles that will provide effective spray coverage of target vegetation. These applications are more effective on small brush less than 10-12 feet in height or 2-3 inch stem diameter. Use the higher rates for difficult to control species, trees with bigger stems, brush growing in clusters, or species growing under stressful environmental conditions. Arsenal™ 2WSL at 0.25 to 0.5 percent v/v may be added to the spray solution for hard to control species.

If needed, use propylene glycol to prevent spray solution from freezing. Refer to the product label for proper application rate and use instructions.

DORMANT STEM APPLICATION

Apply a solution consisting of 10-25 percent v/v of this product and up to 50 percent v/v of QuikSorb penetrant. Fill spray

tank or container with clean water to the desired volume if necessary. Apply from fall to spring. Spray, uniformly from the crown, covering at least 75 percent of the trunks, branches, and stems of the target brush or trees.

BASAL APPLICATION

Apply a solution consisting of 25-50 percent v/v of this product and up to 50 percent v/v of QuikSorb penetrant. Fill spray tank or container with clean water to the desired volume if necessary. Completely cover the lower 18-24 inches of the brush stems or trunks. Spray-to-wet but not to the point of run-off.

Read and carefully observe the label claims, cautionary statements, and all information on the labels of all products used in this tank mixture.

Read the "LIMIT OF WARRANTY AND LIABILITY" in the label booklet for Accord herbicide before using this product. Those terms apply to this supplemental labeling and, if those terms are not acceptable, return the product unopened at once.
