Keep out of reach of children.

CAUTION!

Read the entire label before using this product. Use only according to label instructions. Read "LIMIT OF LIABILITY AND LIABILITY" before buying or using. If terms are not acceptable, return at once unopened. REPACKAGING OR RECAPTURING IS PROHIBITED.

ACTIVE INGREDIENT
- Isopropylamine salt of glyphosate 0.962
INERT INGREDIENTS 99.048

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION! If swallowed, may cause gastro-intestinal tract irritation. Wash thoroughly with soap and water after handling. Keep children and pets off treated area until spray is thoroughly dry. In case of an emergency involving this product, call doctors, day or night, (314) 681-4000.

Environmental Hazards

Do not apply directly to water or wetland (swamps, bogs, marshes or potholes). Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in any manner inconsistent with its labeling.

This product is a nonselective grass and weed killer which, when absorbed by contacted foliage, is carried throughout the stems and roots to give complete kill of tough annual and perennial grasses and broadleaf weeds. This product has no herbicidal activity in the soil and will not wash or leach to affect nearby vegetation. It is formulated for "spot" application to kill individual weeds around trees, shrubs, fences, walls and in flower gardens and lawns. Yellowing and wilting usually occur within one week with a complete kill in 2 to 4 weeks. For best results, apply to actively growing plants in warm sunny weather.

Product protected by U.S. Pat. Nos. 3,792,470, 3,940,521, 4,005,521. Other patents pending. No license granted under any patent granted to other than Monsanto Company, St. Louis, Missouri 63187, U.S.A.

/net: gal

(671-002)
HOW TO USE: Adjust the nozzle to a coarse spray. Position sprayer tip approximately 1-2 feet from the weed and apply to completely cover the weed, stopping just before the spray begins to drip or run off. One application will control most listed weeds. If certain hard-to-control weeds are not completely killed within 4 weeks, repeat application. Treated areas in lawns can be reseeded 7 or more days after application.

WEEDS CONTROLLED: Bahiagrass, Barnyardgrass, Bermudagrass, Blackberries, Canada Thistle, Chickweed, Common Ragweed, Crabgrass, Dandelion, Lepidium, Field Bindweed, Field Sandbur, Foxtail, Johnsongrass, Kentucky Bluegrass, Lempitgrass, Orchardgrass, Perennial Ryegrass, Poison Oak, Poison Ivy, Quickgrass, Red Clover, Shepherdspurse, Smooth Brome Grass, Southile, White Clover and Yellow Nutsedge.

IMPORTANT: This product is a nonselective weed killer which can injure or kill all vegetation contacted. AVOID SPRAY CONTACT ON DESIRABLE PLANTS. APPLY ONLY WHEN THE AIR IS CALM. If spray or drift accidentally contacts desirable vegetation, wash off immediately with water. Do not apply when rainfall is expected within 24 hours. Avoid mowing, cutting or otherwise disturbing treated vegetation for at least 7 days.

Storage and Disposal

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

STORAGE: Store this product in its original container and in a secured storage area.

DISPOSAL: Wastes resulting from the use of this product that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticide disposal or in accordance with applicable federal, state or local procedures.

Emptied container retains vapor and product residue. Observe all labeled safeguards until container is destroyed.

Do not reuse container. Triple rinse container. Then puncture and dispose of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

LIMIT OF WARRANTY AND LIABILITY

This company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes set forth in the Complete Directions for the ("Directions") when used in accordance with those Directions and the conditions described therein. NO OTHER EXPRESS WARRANTY OR IMPLIED WARRANTY OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. This warranty is also subject to the conditions and limitations stated herein.

Buyer and all users are responsible for all loss or damage from use or handling which results from conditions beyond the control of this Company, including, but not limited to, incompatibility with products other than those set forth in the Directions, application to or contact with desirable vegetation, unusual weather, weather conditions which are outside the range considered normal at the application site and for the time period when the product is applied, as well as weather conditions which are outside the application ranges set forth in the Directions, application in any manner not specified set forth in the Directions, moisture conditions outside the moisture range specified in the Directions, or the presence of products other than those set forth in the Directions in or on the soil, crop or treated vegetation.

The exclusive remedy of the user or buyer, and the limit of the liability of this company or any other seller for any and all losses, injuries or damages resulting from the use or handling of this product (including claims based on contract, negligence, strict liability, other tort or otherwise) shall be the purchase price paid by the user or buyer for the quantity of this product involved, or, at the election of this company or other seller, the replacement of such quantity, or, if not acquired by purchase, replacement of such quantity. In no event shall this company or any other seller be liable for any incidental, consequential or special damages.

Buyer and all users are deemed to have accepted the terms of this LIMIT OF WARRANTY AND LIABILITY which may not be varied by any verbal or written agreement.

ONTOGRAPHS

Hazardous to Humans and Domestic Animals

Keep out of reach of children.

CAUTION! IF swallovel may cause gastroenteral tract irritation. Wash thoroughly with soap and water. AFTER HANDLING, keep children and pets off treated area until spray is thoroughly dry. In case of an emergency, contact this product's label number (314) 894-1290

Environmental Hazards

Do not apply directly to water or wetland (swamps, bogs, marshes or ponds). Do not contaminate water by cleaning equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Roundup® E.G. Ready-to-Use herbicide is a non-selective grass and weed killer which, when applied by contacted foliage, is carried through the stems and roots to give complete kill of tough annual and perennial grasses and broadleaf weeds. This product has no herbicidal activity in the soil and will not wash or reach to affect nearby vegetation. It is formulated for "spot" application to kill individual weeds around trees, shrubs, fences, patios and in flower gardens and lawns. Yellowing and wilting usually occur within one week with a complete kill in 2 to 4 weeks. For best results, apply to actively growing plants in warm sunny weather.

HOW TO USE

Adjust the nozzle for a coarse spray. Prevent spray tips approximately 1.2 feet from the weed and apply to completely cover the weed. Stop spraying just before the spray begins to drip or run off. The application will control most listed weeds. If certain hard-to-control weeds are not completely killed within 1 week, repeat application. Treated areas in lawns can be reseeded 7 or more days after application.

WILDS HOBBIELED: Bahiagrass, Barnyardgrass, Bermudagrass, Blackgrass, Canada foxtail, Common Ragweed Crabgrass, Dandelion, Fescue, Field Bindweed, Field Sandbur, Foxtail Johnsongrass, Kentucky Bluegrass, Lamb'squarters, Orchardgrass, Perennial Ryegrass, Poison Ivy, Poison Oak, Quackgrass, Red Clover, Shepherd's-purse, Smooth Brackengrass, Spotted Sedge, White Clover, and Yellow Nutsedge.

IMPORTANT! This product is a non-selective weed killer which can injure other vegetation contacted. AVOID SPRAY CONTACT ON DESIRABLE PLANTS. APPLY ONLY WHEN THE AIR IS CALM. If spray or drift accidentally contacts desirable vegetation, wash off immediately with water. Do not apply when rainfall is expected within 24 hours. Avoid moving, cutting or otherwise disturbing treated vegetation for at least 7 days.

Storage and Disposal

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

STORAGE USE AND STORE THIS PRODUCT ONLY IN ITS ORIGINAL CONTAINER. Store product in a secure, tamper-proof product. Protect product from freezing.

DISPOSAL: To dispose of unused product, securely wrap original container in several layers of newspaper and discard in trash. In case of SPILL or LEAK, soak up with paper towels and discard in trash. Do not reuse container. Rinse thoroughly before discarding in trash.
