Subject: **ALACHLOR: Partner® Custom Blend Herbicide** (EPA Reg. No. 524-403) Notification of a supplemental label to prohibit use in Nassau and Suffolk Counties of New York

Dear Mr. Tompkins:

Monsanto has decided to prohibit the use of alachlor herbicides in Nassau and Suffolk counties of New York as part of our product stewardship program. We are creating supplemental labels with this restriction as the first phase of implementing this voluntary restriction. The supplemental labels are being submitted to the Agency as a notification because we believe this voluntary restriction does not require Agency approval.

This restriction will be printed on the labels of alachlor products which are registered and sold in New York state, as these product labels are produced for new manufacturing campaigns for the alachlor products.

If there are any questions regarding this supplemental label for **Partner® Custom Blend Herbicide**, please call Dr. Russell P. Schneider at (202) 383-2866.

Sincerely,

Roy G. Danhaus  
Registration Manager
