Submission dated July 20, 2010

Dear Ms. Fee-White:

NOTE: This letter supercedes and replaces the original Agency correspondence dated October 12, 2010.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act as amended is acceptable, provided you make the following changes before you release the product for shipment.

- 1) Revise "Causes eye irritation" to "Causes moderate eye irritation."
- 2) Revise "Avoid contact with skin eyes or clothing" to "Avoid contact with eyes, skin, or clothing."
- 3) In the Ingredient Statement, add the Total of 100% back to the label.

Submit one (1) copy of final printed labeling incorporating the above changes before you release the product for shipment. Amended labeling will supercede all previously accepted ones. A stamped copy of labeling is enclosed for your records. If you have any questions, please contact Hope Johnson at 703-305-5410.

Sincerely,

A handwritten signature in black ink, appearing to read "James A. Tompkins".
