Subject Supplemental Label Amendment / Maverick Herbicide
EPA Reg No 524-500

Dear Mr Jenkins

The supplemental labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable

Submit one copy of the final printed label for the record before you release the product for shipment. A stamped copy of the label is enclosed for your records. The supplemental label must be incorporated into the master label within 18 months of the date of this letter. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions please call Erik Kraft at 703-308-9358 or email at Kraft.Erik@epa.gov

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", is written over a horizontal line.

Kable Bo Davis
Product Manager 25
Herbicide Branch
Registration Division (7505P)

SUPPLEMENTAL LABELING

READ THE ENTIRE [INSERT BRAND NAME] LABEL BEFORE PROCEEDING WITH THE USE
DIRECTIONS CONTAINED IN THIS SUPPLEMENTAL LABELING

When using [Insert Brand Name] as permitted according to this supplemental labeling read and follow all applicable directions restrictions and precautions on the label booklet provided with the pesticide container and on this supplemental labeling This supplemental labeling must be in the possession of the user at the time of pesticide application

This supplemental labeling expires on July 30 2015 and must not be used or distributed after this date

Registered Brand Names
Maverick Herbicide (primary)
Outrider Herbicide (alternate)

EPA Reg No 524 500

For Preplant or At-Planting Applications Prior to Drilling Winter Wheat

Keep Out of Reach of Children

CAUTION!

In case of an emergency involving this product call collect day or night 314-694-4000

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling

This label must be in the possession of the user at the time of herbicide application

See the **DIRECTIONS FOR USE** including the **PRODUCT INFORMATION** and **MIXING** sections of the label booklet for [Insert Brand Name] for essential product performance information

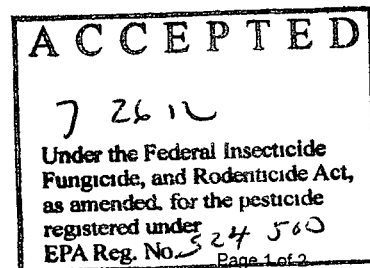

Application Systems

Ground Broadcast or Aerial Application

This product may be applied using either ground or aerial (fixed-wing or helicopter) spray application equipment See the **APPLICATION EQUIPMENT AND TECHNIQUES** section of the main label for important information and restrictions Follow all precautions and restrictions including the **AERIAL SPRAY DRIFT REQUIREMENTS** in the **SPRAY DRIFT MANAGEMENT** section of the [Insert Brand Name] main label prior to application

Application Timing

For Preplant and At-Planting Applications Prior to Drilling Winter Wheat

[Insert Brand Name] may be applied preplant or at planting prior to drilling winter wheat at a rate of 2/3 ounce per acre in a single application

When applied preplant or at-planting prior to drilling winter wheat [Insert Brand Name] will provide control or reduced competition of the annual weeds listed in the **WEEDS CONTROLLED** section of the main label

Weeds seed present within the drill row or where treated soil was disturbed after application will not be controlled

See the **WINTER WHEAT AND SPRING WHEAT** section of the [Insert Brand Name] main label for additional instructions. Do not use a preemergence application if dry soil conditions will cause delayed wheat and/or weed emergence. Preemergence applications under dry soil conditions can make this product vulnerable to wind erosion. Under dry conditions wait until crop and weeds have emerged and are showing good vigor and then follow directions for postemergence application in the [Insert Brand Name] main label

Not for use on wheat in California

Read the LIMIT OF WARRANTY AND LIABILITY in the label booklet for [Insert Brand Name] before using this product. These terms apply to this supplemental labeling and if these terms are not acceptable return the product unopened at once
