Subject: **RT 3 Herbicide, EPA Reg. No. 524-544;
Notification of Minor Label Change per PR Notice 98-10**

Dear Mr. Tompkins:

On January 26, 2006, Monsanto informed the Agency, via Notification, of the addition of the brand name RT 3 to EPA Reg. No. 524-544, along with a detailed list comparing its product label with the Master Label approved for that registration on November 27, 2003. One of the differences in labeling cited in that Notification was the addition of a COUNTY DISTRIBUTION listing on the cover page and the page immediately following, added to specify the states and counties where this product would be available. By this Notification, Monsanto would like to make known to the Agency the inclusion of four (4) additional counties in the State of Kansas—Clay, Dickinson, Marion and Washington—to that list of where RT 3 will be available. The enclosed Supplemental Labeling lists all 71 counties in Kansas where this product will be distributed. The four additional counties in Kansas will be included on the next printing of the product label.

This notification of minor label changes is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR §152.46, and no other change (other than those described herein) have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statements to the EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR §152.46, this product may be in violation of FIFRA and I may be subject to enforcement actions and penalties under sections 12 and 14 of FIFRA.

If you should have any questions regarding this matter, please contact Dr. Russell P. Schneider at (202) 383-2866, or me directly at (314) 694-9035, or by electronic mail at stephen.a.adams@monsanto.com.

Sincerely,

Stephen A. Adams
Registration Manager
