

# WARE-O-SPRAY

## CONTACT INSECTICIDE FOR FURNITURE WAREHOUSES

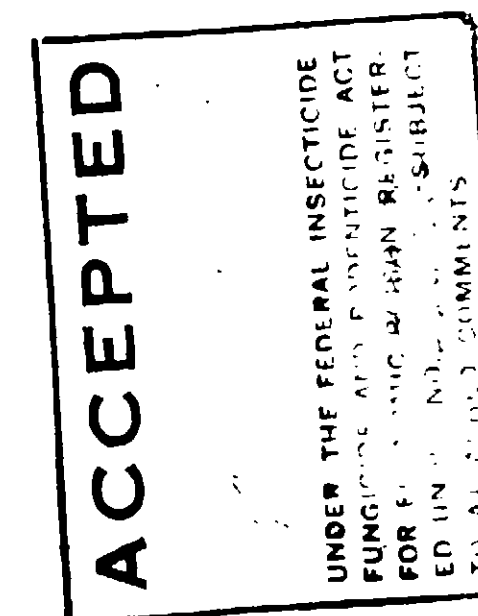

EPA Reg. No. 527-72-AA

Midland Ware-O-Spray is formulated specifically as an effective space spray for use only in conjunction with Midland Ware-O-Cide Super Strength Residual Insecticide, in furniture warehouses, for the control of the accessible stages of clothes moths, silverfish, carpet beetles, roaches, flies, bedbugs and certain other insects.

Active Ingredients 100%:  
Refined Mineral Oil  
Aromatic Petroleum Derivative  
Malathion\*  
Piperonyl Butoxide, Technical\*\*  
Pyrethrins

\*Consists of O, O-Dimethyl dithiophosphate of diethyl mercaptosuccinate.

\*\*Consists of (butylcarbityl) (6-propylpiperonyl) ether and other related compounds.

### DIRECTIONS

Keep area as clean as possible by removing all accumulations of dust and lint from cracks, corners, and around stored articles. After wrapping or covering furniture, space spray entire area, paying particular attention to overhead beams and areas difficult to reach. Spray when necessary, and at more frequent intervals when infestations are severe. When spraying, it is preferable to use a Midland Mill-O-Jet Electric Sprayer to achieve effective distribution of insecticidal fog.

**Not for household use.**

### CAUTION: KEEP OUT OF REACH OF CHILDREN.

HARMFUL IF SWALLOWED. Avoid breathing of spray mist — use of respirator is advised. Avoid contact with skin. Wash thoroughly after using. Do not use on household pets or other animals. Avoid contamination of feed and foodstuffs. Do not smoke while spraying. Combustible mixture — do not spray into or near an open flame.
