MILL-O-CIDE SUPER STRENGTH is a high kill contact insecticide for wholesale grocers, supermarkets, bakeries, dairies, bottling plants, packing plants, breweries, mills and other establishments where food is processed or stored. When used as directed, this product will kill accessible weevils, flour moths, silverfish, roaches, flies, gnats and certain other insects on contact.

**DIRECTIONS**

Area to be sprayed should be thoroughly cleaned by removing accumulations from all cracks, shelves, beams and on and around packages of stored food products. Close doors and windows and keep closed for 10 to 15 minutes after spraying. Do not remain in treated areas. Ventilate the area after treatment is completed. Sweep up and dispose of fallen insects.

**Where to Spray** - Spray MILL-O-CIDE SUPER STRENGTH into the air in the form of a fine mist or fog. Spray under and around all equipment and racks, into all cracks, crevices and corners, and on floors, walls and ceilings.

**When to Spray** - MILL-O-CIDE SUPER STRENGTH should be sprayed once or twice a week as a regular procedure and daily in cases of severe infestation.
