STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

CAUTION

KEEP OUT OF REACH OF CHILDREN

HARMFUL IF SWALLOWED: Avoid breathing of spray mist. Medical Emergency Telephone Number: 716-266-2283

MILL-O-CIDE SUPER STRENGTH is a combustible mixture and should not be sprayed into or near an open flame. All pilot lights should be off while spraying. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment, or thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation.

EPA EST. 827-H-1

DIRECTIONS

Area to be sprayed should be thoroughly cleaned by removing accumulations from all cracks, shelves, beams and on and around packages of stored food products. Close doors and windows and keep closed for 10 to 15 minutes after spraying. Do not remain in treated area. Ventilate the area after treatment is completed. Sweep up and dispose of fallen insects.

Where to Spray — Spray MILL-O-CIDE SUPER STRENGTH into the air in the form of a fine mist or fog. Spray under and around all equipment and racks, into all cracks, crevices and corners, and on floors, walls and ceilings.

When to Spray — MILL-O-CIDE SUPER STRENGTH should be sprayed once or twice a week as a regular procedure and daily in cases of severe infestation.
