

DANGER: Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food. Refer to the BYQUAT Material Safety Data Sheet for other safety information.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for a least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink PROMPTLY a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed. Medical Emergency Telephone Number: 716-266-2283.

BYQUAT is a cleaner, disinfectant designed for general housekeeping and industrial cleaning. When used as directed, BYQUAT will also deodorize those areas which generally are hard to keep fresh smelling, such as GARBAGE PAILS, SINK TOPS and BATHROOM AREAS which are prone to odors caused by the growth of some microorganisms.

FORM 62C
(Rev. 3/16/88)

527-116 1/2 12-31-89 PM 31

Effective against *Staphylococcus aureus* and *Salmonella choleraesuis* at 2 ounces per gallon. Also effective against pathogenic fungi, *Trichophyton interdigitale*, at this use dilution.

CLASSIFIED BY UNDERWRITERS' LABORATORIES, INC.
AS TO SLIP RESISTANCE ONLY.

DIRECTIONS FOR USE

Dilute BYQUAT at 2 ounces to one gallon of water for disinfecting, cleaning and deodorizing. This dilution will provide 500 ppm quaternary to the use dilution.

Fungicidal: Dilute 2 ounces to one gallon of water for fungicidal activity against pathogenic fungi (athlete's foot).

BYQUAT can be applied with a mop, sponge, cloth or scrubbing machine to wet surfaces thoroughly with the recommended use dilution.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

*Authorized by USDA for use in
Federally Inspected Meat and Poultry Plants.*

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Not Reviewed. Registrant claims to be in accordance with... Place 2... Status.
