This notification is consistent with the provisions of PR Notice 95-2 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling of the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Bytech Bysan is a concentrated detergent-disinfectant which provides effective cleaning, deodorizing and disinfection. Bytech Bysan has been designed specifically for hospitals, nursing homes, schools other than preschool or day care, food processing plants, and other institutions where housekeeping is of prime importance in controlling the hazard of cross contamination. It is formulated to disinfect inanimate hard surfaces such as walls, floor, sink tops, toilet bowls, tables, chairs, telephones and bed frames. For larger areas such as operating rooms, patient care facilities and restrooms, the product is designed to provide general cleaning and disinfecting. In addition, Bytech Bysan deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls and any other areas which are prone to odors caused by microorganisms.

Bytech Bysan, when diluted at the rate of 2 ounces per gallon of water, is an effective disinfectant against the organisms *Escherichia coli*, *Salmonella*, *Shigella*, *Staphylococcus aureus* and meets all requirements for hospital use. It is fungicidal against the Pathogenic fungi *Trichophyton mentagrophytes*, prevents and destroys mold and mildew and the odors they cause on hard nonporous inanimate surfaces. Laboratory tests demonstrated that Bytech Bysan is an effective bactericide, fungicide and virucide* in the presence of organic soil (5% blood serum).

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep out of reach of children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and water. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Rinse and wash contaminated clothing.
