

**"KEEPS DOGS OFF!"**  
 Gives protection for many weeks. Rain won't destroy effectiveness. Unpalatable to humans, pets, etc.

**DIRECTIONS**  
 To repel dogs from shrubs, bushes, etc., place YARD COP at spots where dogs have done damage or where they are likely to approach. Continue verbal commands and other disciplinary action until the repellent becomes a constant reminder of forbidden acts.

YARD COP repellents are solid chemical cakes. . . Ready to protect your shrubs, flowers, etc. from dogs. To insure long life they are made so as to release the repelling chemical slowly. Each Yard Cop keeps an area of several feet well saturated with odors which are easily detected by animals. . . But rarely noticed by humans. Don't expect Yard Cop to become fully effective in less than nine hours.
