KEEP OUT OF REACH OF CHILDREN
CAUTION
PRECAUTIONARY STATEMENTS

For Professional Turfgrass Managers and Domestic Applications: Harmful if swallowed. Avoid contact with skin, eyes or clothing. Do not contaminate food or feedstuffs. Do not use for recreational or domestic purposes.

Environmental Hazards: This product is toxic to fish. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from treated areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply the product only as specified on the label.

ACTIVE INGREDIENT:
S-10,0-Diclofop (phosphorothioate) ester of N-(2-methoxyethyl) benzene sulfonamide 8.50%
INERT INGREDIENTS 91.50%
TOTAL 100.00%

EPA Reg. No. 539-28 EPA Est. 6180-OH-1 (R)
Product of USA 638-OH-1 (S)

Directions for use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

Controls these grassy weeds as they sprout, without harm to desirable turf:

bermudgrass green foxtail
crabgrass yellow foxtail
Poa annua

For use on established turfgrass, dichondra and putting greens

For most effective control of *Poa annua* (annual bluegrass) apply in late summer or early fall, before germination, and repeat yearly.

To control other grassy weeds listed above, apply in fall, winter or spring prior to germination. Turf may be either moist or dry.

Precautions

Do not use on putting greens composed of about 50% or more of *Poa annua*.

On newly planted areas, wait until the grass has been mowed at least twice and has made good coverage. On newly planted dichondra no waiting is necessary.

Where bermudagrass has been thinned out 25% or more by winter damage, diseases, or insects, withhold application until desired filling-in and rooting of the stolons is achieved.

After application avoid any severe aerating or raking which might disturb the surface and break the chemical barrier.

Delay seeding, sprigging or sodding for 4 "growing" months after application.

Applications should not exceed twice yearly.

Where bermudagrass has been thinned out 25% or more by winter damage, diseases, or insects, withhold application until desired filling-in and rooting of the stolons is achieved.
After application avoid any severe searing or raking which might disturb the surface and break the chemical barrier.
Delay seeding, sprigging or sodding for 4 growing months after application.
Applications should not exceed twice yearly.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store in a clean, dry place. Reseal opened bag by folding top down and securing.
PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

LIMITATION OF LIABILITY

It must be understood that this product has not been evaluated on all varieties under all possible growing conditions. The user should exercise judgement and caution when using this product on a given variety until familiar with the performance under his growing conditions. NO WARRANTY OR REPRESENTATION IS MADE, EXPRESS OR IMPLIED, CONCERNING THE RESULTS OBTAINED FROM THE USE OF THIS PRODUCT WHEN NOT USED IN ACCORDANCE WITH DIRECTIONS AND ESTABLISHED SAFE PRACTICES. The exclusive remedy of the user or Buyer, and the limit of liability of The Scotts Company or its affiliates, for any and all losses, injuries or damages resulting from the use or handling of this product shall be the purchase price paid by the user or Buyer for the quantity of this product involved. The Buyer and all users are deemed to have accepted the terms of this Notice, which may be varied only by agreement in writing, signed by a duly authorized representative of The Scotts Company.

Scotts ProTurf® Weedgrass Preventer
EPA Reg. No. 538-26
Submission of Final Printed Labels

NOTIFICATION

- Change of Company Name
- Minor Change of Limitation of Liability

Gentlemen:

Attached are five copies of Final Printed Labels(FPLs) for Weedgrass Preventer.
We are NOTIFYING the Agency that we have:

- 1) Changed the Company name from The O. M. Scott and Sons Company to The Scotts Company on this label.

A separate letter was sent to the Agency previously informing the EPA of this change.

- 2) Changed the following sentence in the Limitation of Liability from:

“ The exclusive remedy of the user and Buyer, and limit of liability of **The O. M. Scott and Sons Company, or any other seller**, for any and all losses,” etc.

to read

“ The exclusive remedy of the user and Buyer, and limit of liability of **The Scott Company, or its affiliates**, for any and all losses,” etc..

575

We have highlighted the top copy to facilitate your review of these minor changes which we believe to be consistent with 40 CFR 152.46.

Please call me at 513-644-7131 if you have any questions concerning this NOTIFICATION.

Respectfully yours;
THE SCOTTS COMPANY
