A PROBLEM-SOLVING PRODUCT BY SCOTTS, THE LAWN PEOPLE

Scotts Kwik chinchbug control  
NEW FORMULA

Treats 2,500 sq ft / NET WEIGHT 5 1/2 LBS / \$6.25

NEW FORMULA  
Scotts Kwik

controls chinchbugs and other insects listed below:

- |                 |                    |
|-----------------|--------------------|
| ants            | flea beetles       |
| brown dog ticks | (in dichondra)     |
| crickets        | sod webworms       |
| cutworms        | (lawn moth larvae) |
| earwigs         | vegetable weevils  |
| grasshoppers    | (in dichondra)     |
|                 | Hyperodes weevils  |

For use on grass or dichondra lawns

Directions for use

Apply over entire lawn area. Overlap spreader wheel tracks so no strips are missed. Water after application. Do not mow for 24 hours.

Before permitting children or pets on treated area, let lawn foliage dry off after watering.

To control chinchbugs—use anytime activity of damage is noticed (yellowing, then browning of grass often developing in spots then spreading through entire lawn). Apply at NORMAL RATE and water thoroughly afterward to wash particles into zone of insect activity.

To prevent chinchbug damage—start applications at NORMAL RATE as soon as daily temperatures reach 80 or above, repeat at two-month intervals.

To control flea beetles, sod webworms, vegetable weevils, earwigs, and cutworms—apply at HEAVY RATE whenever their activity is observed or suspected. Sprinkle lightly after application to remove particles from leaves.

To control ants, ticks, crickets and grasshoppers—apply at NORMAL RATE whenever their activity is observed or suspected. Sprinkle lightly after application to remove particles from leaves.

To prevent Hyperodes weevils—apply at the HEAVY RATE as soon as grass greens in the spring, and repeat in one month.

Use a Scotts Spreader (Standard or Automatic) at one of these settings to ensure proper distribution.

NORMAL RATE—(treats 2,500 sq ft)	7
HEAVY RATE—(treats 500 sq ft)	5 1/2
HEAVY RATE—(for Hyperodes weevils only (treats 1,875 sq ft))	8 1/2
