**1**

For use on turfgrass areas consisting of bentgrass, bluegrass, *Poa annua*, bermudagrass, St. Augustinegrass, ryegrass, fine fescue or tall fescue, or mixtures where these grasses predominate.

Controls these diseases while fertilizing the turfgrass:

- pink patch (red thread)
- dollar spot
- brown patch
- pink snow mold (*Fusarium* patch)
- leaf spot/melting out

Suppression of these diseases:

- summer patch
- necrotic ring spot
- Fusarium* blight

Apply to moist or dry foliage. To avoid product pickup, lightly irrigate treated areas after application.

For prevention or control of dollar spot, leaf spot, melting out, pink patch (red thread), *Fusarium* patch (in Washington, Oregon and California) and brown patch (light to moderate disease), apply at the NORMAL RATE when disease activity is expected or noted. Repeat at two to three week intervals to prevent disease through the season. For longer intervals between applications (30 days) use the DOUBLE RATE.

For suppression of pink snow mold in areas where snow cover occurs, apply to dry foliage at the RECOMMENDED RATE prior to the first snow and again immediately after the final snow melts in the spring. Repeat in mid-winter when turf is free of snow with a non-fertilizer product such as ProTurf Systemic Fungicide or Fungicide X.

To control severe leaf spot, melting out, dollar spot, brown patch and pink patch (red thread), apply at the DOUBLE RATE every 10-30 days until the disease is brought under control, then revert back to the preventive schedule.

STORAGE: Store in a clean, dry place. Reseal original bag by folding top down and securing.

PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
